Last year Sir William Vincent, the leader of the Indian Delegation, in signing the Convention was obliged, for constitutional reasons, to make a reservation excluding the Indian States from the Convention. He said that slavery in the ordinary sense was not now practised in any Indian State, and that where conditions amounting to forced labour were present no serious abuses existed, and progress was being made in removing or mitigating those conditions. He said further that the Government of India would not fail to bring to the notice of the Rulers of the Indian States the provisions accepted for British India under the Convention, together with suitable recommendations. I am now able to inform you that the Government of India have brought the Convention to the notice of Rulers of Indian States in the light of this undertaking, and I am sure I can say with confidence that the Ruling Princes of India who are concerned will devote themselves earnestly to accelerating the removal of any vestiges of conditions akin to slavery that may still survive, and to securing the general observance of the standard aimed at by the Convention in those States, if any, in which it may be found that that standard has not yet been fully attained. I may add that my own State is one of those in which slavery and also forced labour have been abolished since a very long time, and that social reforms of all kinds have been introduced in British India as well as in almost all the Indian States, and great progress has been generally made in this direction.

ANNEXURE XV.—*Report of a Speech by Sir B. K. Mullick in the Sixth Committee on the 14th September 1927.*

I do not desire to detain the Committee long; I rise only for the purpose of stating that I have been instructed by my Government to support the proposal made by the distinguished delegate from Norway. I see no difficulty in adopting the system of proportional representation with a transferable vote in regard to the elections for the three non-permanent seats in the Council, and I have been instructed to say that,

in the opinion of my Government, the Assembly will be more fairly represented under this system. A good deal has been said about the practical difficulties of putting the system into operation, but from the little study I have been able to give to the details of the system, the practical difficulties do not seem to me to be very serious. It must be remembered that the electorate in the Assembly will be far more competent and far smaller than the average electorate in a General Election in a European State, and also that it will not be affected by the violent storms of local feeling which are apt to sweep over the constituency during a General Election. At any rate, in my humble opinion, the system is worth further study, and I would support the proposal of the distinguished delegate from Norway.

CALCUTTA, *the 1st March 1928.*

NOTIFICATION.

An Examination in the Art and Practice of Teaching for teachers of English subjects in Boys' Secondary Schools (aided and unaided) including Madrasahs in the Chittagong Division will be held at the Chittagong Normal School on the 18th June 1928, at 11 A.M., and on the following date, if necessary. The examination of teachers of vernacular subjects and oriental classical languages of the same schools will also be held on the same date and at the same place and hour.

2. The following teachers are eligible for the examinations :—

(*a*) Teachers of English subjects, who have passed (*i*) the Matriculation or some higher University examination, or (*ii*) the Middle English Scholarship Examination or the terminal examination at the end of the middle stage of instruction. The examination of these teachers will be conducted in English.

(*b*) Teachers of vernacular subjects, who have passed the University examinations named in (*a*) above or the Middle Vernacular Scholarship Examination, or the terminal examination at the end of the middle stage of instruction. The examination of these teachers will be conducted in vernacular.

(*c*) Pandits and Maulvis employed in teaching oriental classical languages other than pandits in Sanskrit *tôls* and maulvis in Madrasahs. They must have passed the Sanskrit Title Examination or the Final Examination of a senior grade Madrasah. The examination in the case of these classes of teachers will be conducted either in English or vernacular at the option of the candidate.

3. The examination will consist of—

(*a*) A practical examination in class control, the candidate being required to keep a class of, at least, a dozen boys attentive and fully occupied throughout a lesson.

(*b*) A practical test of teaching ability, the candidate being required to give two lessons on any two of the subjects—English, Bengali, Sanskrit, Arabic, Persian, Urdu, History, Geography, Arithmetic, Algebra, Geometry, etc.

(*c*) An oral examination, in which the Inspector of Schools or other examiner will ask questions on the art of teaching, object lessons, class management, organisation and discipline.

The following books are recommended for study by the candidate :—

(*i*) For teachers of English subjects—

(1) Indian Teachers' Guide, by P. Wren.
(2) Indian School Organisation, by P. Wren.
(3) Suggestions for the Consideration of Teachers (Board of Education, Whitehall).
(4) Talk to Teachers (James).

(*ii*) For teachers of vernacular subjects—

(1) বিবিধ বিধান, by A. N. Adhikari.
(2) Teachers' Manual, by Khan Bahadur Ahsanullah.
(3) পাঠ টীকা লিখিবার পদ্ধতি, by Jagannath Dey.
(4) মনোবিজ্ঞান, by S. C. Brahmachary.

(*iii*) Teachers of oriental classical languages may study any of the above sets of books.

4. Intending candidates from high schools and senior Madrasahs should submit their applications through the Head Masters or Superintendents, as the case may be, and teachers of middle schools and junior Madrasahs through the Subdivisional Inspectors of Schools, so as to reach this office not later than the 10th June 1928. Every candidate will produce at the time of the examination the certificate of his having passed the University or other examination, which admits him to the present examination. The following information should accompany the application :—

(1) Name (in full).
(2) Name of father (in full).
(3) Names of native village and district.
(4) Last examination passed.
(5) Year of passing.
(6) Period of service as a teacher.
(7) Present appointment with date (mention whether he is a teacher of English subjects or vernacular subjects or of oriental language).
(8) Two class subjects in which he wishes to be examined.
(9) Signature of applicant with full address.

5. Every candidate must bring with him at the time of the examination two lesson notes on the subjects in which he wishes to give lessons. These notes should be made over to the examiner at the time of the practical examination.

DEPARTMENT OF AGRICULTURE, BENGAL.

Second Forecast of the Wheat Crop of Bengal, 1927-28.

[NOTE.—On an average of the five years ending 1925-26, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1925-26, averaged (*a*) 3·0 and (*b*) 14·2 per cent., respectively.]

Character of the season.—In the important district of Malda where more than one-third of the total area under the crop is cultivated the weather conditions have been unfavourable throughout due to drought. But rainfall in the latter part of January has improved the prospects a little in this as well as in other affected districts. In the rest the conditions have been generally reported to be satisfactory.

Acreage.—According to the estimates of the district officers the total area sown amounts to 106,600 acres as against 129,500 and 129,300 acres, reported, respectively, in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from district estimates is 59 per cent. of the normal as against 80 and 81 per cent., respectively, in the corresponding and final forecasts of last year.

Director of Agriculture, Bengal.

APPENDIX.

Second Forecast of the Wheat Crop of Bengal, 1927-28.

District.	Estimated normal area under wheat crop.	Estimated area under wheat.		Estimated outturn as a percentage of the normal yield per unit of area.		Date on which the sowing of the crop was begun this year and whether that date was early, normal or late.	Remarks by district officers
		Last year (1926-27).	This year (1927-28).	Last year.	This year		
	Acres	Acres.	Acres				
Nadia ...	23,100	14,800	10,500	67	25	End of October. Normal	The decrease in area as compared with the normal is due to want of rain at the sowing time. Continued drought has affected the growth of the crop to a very great extent. Hence the outturn is expected to fall much below the normal.
Murshidabad ...	35,800	28,500	17,800	75	50	Beginning of November. Normal.	The decrease in area is due to revision of estimates The weather has not been favourable at sowing time The outturn is anticipated to fall much below the normal owing to damage done by drought.

DEPARTMENT OF AGRICULTURE, BENGAL.

Second Forecast of the Spring Oilseed Crops of Bengal, 1927-28.

(NOTE.—On an average of the five years ending 1925-26, the area under linseed in Bengal has represented some 8·4 per cent. and that under rape and mustard 11·6 per cent. of the total area under these crops in British India.)

Character of the season.—As indicated in the first forecast, conditions at the outset were generally favourable for preparatory tillage and for early sowings. Since the latter part of October continued drought has affected later sowings and growth of the early crops, especially in parts of West and North Bengal where lack of adequate soil moisture was keenly felt. On the whole the season may be regarded as fairly satisfactory in East and in parts of North Bengal, while elsewhere the conditions have been generally unfavourable.

Area sown.—Oilseeds are chiefly grown in the Rajshahi, Dacca and Presidency Divisions. In the other two divisions the cultivation is small. The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 894,400 acres this year as against 928,700 and 936,500 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—From the District Officers' estimates the provincial outturn of the different oilseed crops works out at 75 per cent. of the normal as against 76 and 78 per cent., respectively, in the corresponding and final forecasts of last year.

R. S. FINLOW,

Director of Agriculture, Bengal.

DACCA, *the 28th February 1928.*

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 29th February 1928.

Summary.—During the week the weather continued practically dry. Preparatory tillage for jute and other autumn crops is progressing slowly. Harvesting of spring crops and pressing of sugarcane continue under favourable conditions. Prospects of standing crops are not satisfactory for want of soil moisture. Distress continues to prevail in parts of Burdwan, Bankura, Dinajpur, Nadia, Murshidabad, Birbhum and Malda. In the latter four districts the number of persons employed on test relief works was 409, 13,995, 185, and 2,270 respectively. The average price of common rice for the province has fallen by about 0·51 per cent. as compared with that of the previous week.

No. 3632P.—The 8th March 1928.

The Governor in Council has heard with deep regret of the death on the 4th March, 1928, at Berhampore, of the late Satyendra Prasanna, Baron Sinha of Raipur, P.C., K.C., K.C.S.I. Satyendra Prasanna Sinha was born on the 24th March, 1864, at Raipur, in Birbhum, and was educated at Birbhum Zilla School and the Presidency College, Calcutta. In 1881 he went to England where after a distinguished career at Lincoln's Inn he was called to the Bar in 1886. He returned to India almost immediately and took up practice in the Calcutta High Court. In 1903 he was appointed Standing Counsel to the Government of India, and in 1908 Offg. Advocate General, Bengal. He was appointed Law Member of the Viceroy's Executive Council in 1909 and was the first Indian to receive the distinction. In 1916 he was appointed a Member of the Executive Council of Bengal, and was a member of the Imperial War Conference and of the War Cabinet in London during 1917-18. He was made a King's Counsel in 1918, a Privy Councillor in 1919 and became Parliamentary Under-Secretary of State for India, in the same year, being raised to the Peerage on the 14th February, 1919, with the title of Baron Sinha of Raipur. He was appointed Governor of Bihar and Orissa in 1920 and after holding that office for about a year was compelled to resign owing to ill-health. In 1926 he was appointed to the Judicial Committee of the Privy Council.

The late Lord Sinha was the first Indian to enter the Viceroy's Executive Council, to be appointed King's Counsel, to be a Member of the Government of Great Britain, to become a Peer of the Realm, and to be appointed Governor of a Province in India, and the Governor in Council desires to record his high appreciation of his exceptional services to the State, and to express his deep sympathy with Lady Sinha and her family in their great and irreparable loss.

INDIAN STATUTORY COMMISSION.

INVITATION TO SUBMIT MEMORANDA.

1. The Indian Statutory Commission invites the submission of written statements or memoranda, both from official and non-official sources, from representative associations, local bodies, and responsible individuals on any of the subjects which fall within the limits of the enquiry which it is about to undertake. Before the Commission returns to India in October a programme of its sittings in various centres will have to be drawn up. The written statements or memoranda now called for should be prepared and sent to the offices of the Commission *as soon as possible* in order that the Commission may appreciate the main issues to be raised and proposals to be urged before it hereafter, and in order that it may make arrangements beforehand for the orderly conduct of its subsequent enquiry.

2. Such written statements or memoranda as are ready before the Commission leaves India on March 31st should be sent by registered post addressed to **"The Indian Statutory Commission, Camp, India."** After this date the Commission will maintain its own Office in India, where further memoranda will be received on its behalf. They should be sent by registered post addressed to **"The Indian Statutory Commission, New Delhi Office, New Delhi"**, from which office they will be transmitted to the office of the Commission in England.

3. Twelve copies of each memorandum are required in the first instance. Further copies may be called for hereafter, if the proposed Indian Committees are set up in time.

4. It is most desirable that these memoranda should be delivered to the offices of the Commission as soon as possible, and in any event *not later than June 1st next*. If for any special reason particular documents cannot be delivered till later, the Commission will be glad to be informed of the circumstances and will do its best to deal with them, but the organization of the Commission's enquiry makes it essential that the written material, much of which has doubtless already been prepared, should be promptly presented.

5. The terms of reference under which the Commission is acting are as follows :—

It is "to enquire into the working of the system of Government, the growth of education, and the development of representative institutions, in British India, and matters connected therewith," and it is "to report as to whether and to what extent it is desirable to establish the principle of responsible Government, or to extend, modify, or restrict the degree of responsible Government then existing therein, including the question whether the establishment of second chambers of the local legislatures is or is not desirable."

6. The Commission has already had the advantage of informal interviews with important and representative bodies and deputations both at Delhi and several Provinces, and has been much assisted by these interviews in appreciating the nature of some of the main questions which it will shortly begin to investigate.

7. The Appendix to this notice contains a list of some of these topics (though the list does not profess to be exhaustive), and written statements or memoranda are also invited on any other subject within the Commission's terms of reference. It will be understood that those who submit memoranda are not expected or required to deal with all the subjects mentioned in the Appendix but only such of them, or with such other subjects, as specially concern the case they are putting forward.

8. The Commission attaches special importance to the written material which it is now inviting, for in many cases the memorandum will speak for itself, while in other cases the Commission after considering the memorandum (with the assistance of Indian Committees if these are appointed) will intimate whether it desires to hear oral evidence in support of the memorandum and will endeavour to make the most convenient arrangements as to when and where this oral evidence shall be taken.

9. Every memorandum should be dated and signed by or on behalf of those who present it, and should give the address to which any communication from the Commission regarding it should be sent. As already stated, there will be many cases in which the memoranda submitted will themselves sufficiently convey to the Commission the views of those submitting them, but in cases in which it is desired to tender to the Commission oral evidence in support of any memorandum, the document should end with a clear statement giving the name and address of the witness who will be ready to come forward, if required, for examination and cross-examination.

10. Memoranda submitted in a representative capacity should contain a clear statement of the nature, extent, and membership of the organization submitting them. When a statement is put forward on behalf of a class of persons, the Commission wishes to have a sufficient indication of the number of individuals who actually authorize it.

J. W. BHORE,
S. F. STEWART,
Secretaries.

OFFICE OF INDIAN
STATUTORY COMMISSION,
CAMP, INDIA ;
The 6th March 1928.

APPENDIX.

Note (*A*).—For the purpose of illustrating the meaning of the main heads below, some of the questions arising under each are given.

Note (*B*).—Replies need not deal with the whole field covered by the heads, but should be limited to the particular matters to which it is desired to draw attention.

Note (*C*).—Suggestions for the future are invited, as well as observations upon the structure and working of the existing constitution of British India. (*a*) Indian Civil Service.

(*b*) Other All-India Services.

(*c*) Provincial Services.

(*d*) The question of recruitment and of Public Services Commissions.

(*e*) Indianization.

11. *The Growth of Education.*—The Commission will shortly be making a special announcement as to this branch of the enquiry, but it does not wish the preparation of memoranda on this important topic to be delayed. Documents dealing specifically with it should be marked "Growth of Education" in the top left-hand corner.

POLITICAL DEPARTMENT.

NOTIFICATIONS.

No. 3546P.—The 7th March 1928.—The following notification issued by the Government of Burma is republished for general information.

W. D. R. PRENTICE,

Chief Secretary to the Government of Bengal.

Notification No. 54, dated the 23rd February 1928.

In exercise of the powers conferred by section 99A of the Code of Criminal Procedure, 1898, the Governor in Council hereby declares to be forfeited to His Majesty all copies, wherever found, of a leaflet in English entitled 'Are We Dogs?" by Maung Po Sein, President, Republican Society, Burma, addressed to "Dear Brothers" and calling upon the young men of Burma to arm themselves and kill, and all other documents containing copies or translations of, or extracts from, the said leaflet, on the ground that it contains seditious matter, the publication of which is punishable under section 124A of the Indian Penal Code, as tending to excite disaffection towards the Government established by law in British India.

No. 3634P.—The 8th March 1928.—The following notification issued by the Government of the Punjab is republished for general information.

W. D. R. PRENTICE,

Chief Secretary to the Government of Bengal.

Notification No. 32516J., dated Lahore, the 10th December 1927.

In exercise of the powers conferred by section 99A of the Code of Criminal Procedure, 1898 (V of 1898), as amended by the Press Law Repeal and Amendment Act, 1922 (XIV of 1922), Act XXXVI of 1926 and the Criminal Law Amendment Act, 1927, the Governor in Council is pleased hereby to declare to be forfeited to His Majesty every copy, wherever found, of the book in Urdu entitled "Rad-i-Hindu" by Maulvi Muhammad Ismail, published by Maulvi Muhammad Said, bookseller, and printed at the Majidi Press, Cawnpore, and all other documents containing copies, reprints, or translations of, or extracts from, the said book on the ground that it contains matter the publication of which is punishable under section 295A of the Indian Penal Code.

No. 3586P.—The 9th March 1928.—In pursuance of section 61 of the Cantonments Act, 1924 (II of 1924), the Governor in Council is pleased to give notice of his intention to impose the following water rate and tax in the Jalapahar (Darjeeling) Cantonment to be payable in advance by quarterly or monthly instalments as may be decided upon by the Cantonment Authority within the said Cantonment in place of the tax imposed by notification No. 10025 P., dated the 27th August 1915:—

(*a*) Water rate per 1,000 gallons ... ... Re. 1
(*b*) Water tax ... ... 3¾ per cent. on annual rentals.

2. The water tax shall be payable by (1) officers occupying Government buildings, and (2) owners of private houses in the Cantonment, provided the buildings or houses are within a radius of 1,000 feet from the nearest stand-pipe. The Cantonment Authority shall determine, under section 220 of the Cantonments Act, the free monthly allowance of water in return for the tax paid by the occupier of every building or house connected with water-supply. Water consumed in excess of the free allowance shall be charged for at the rate of one rupee per 1,000 gallons.

3. Water supplied for the following purposes (other than domestic) shall be charged for at one rupee per 1,000 gallons on such terms and conditions as are consistent with the Cantonments Act and the rules and bye-laws made thereunder:—

(*a*) water for animals or for washing vehicles where such animals or vehicles are kept for sale or hire;
(*b*) water for any trade, manufacture or business;
(*c*) water for fountains, swimming baths or any ornamental or mechanical purpose;
(*d*) water for gardens or for purposes of irrigation;
(*e*) water for making, or watering, roads or paths; and
(*f*) water for building purposes.

LOCAL SELF-GOVERNMENT DEPARTMENT.

NOTIFICATIONS.

Minister-in-charge: The Hon'ble Sir P. C. Mitter, Kt., C.I.E.

No. 206M.—The 24th January 1928.—The following proposed plan for lighting a portion of the South Suburban Municipality, in the district of the 24-Parganas, with electricity, which has been submitted by the Commissioners of that municipality to the Government of Bengal (Ministry of Local Self-Government) for sanction under section 308 read with section 319 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), is published for the information of person likely to be affected thereby.

24-Parganas.

2. The proposed plan will be taken into consideration on the 2nd April 1928, and any objection or suggestion which may be received by the undersigned through the District Magistrate before that date will be duly considered :—

Electric Lighting Plan.

1. The portion of the municipality which it is proposed to light with electricity is defined below :—

North—The present southern boundary of the Corporation of Calcutta forming the southern boundary of the property of the Port Commissioners and Tollygunj Circular Road of the Corporation of Calcutta.

East—Tolly's Nullah.

South—Old Tollygunj Road, 2nd section, Shirity Road and Brahmosamaj Road.

West—Brahmosamaj Road, Garagacha Road, Kajipara Road, Bonomali Naskar Road, Pathakpara Road, and Sagar Manna Road.

2. Two hundred and twelve electric lamps will be installed as detailed in the accompanying statement. The Commissioners have decided to enter into an agreement with the Calcutta Electric Supply Corporation for installation of these lamps and for their maintenance at the annual rates of Rs. 40-2-8 for 60 watt. lamps and Rs. 25-2-8 for 30 watt. lamps burning for 4,000 hours and Rs. 31-4-2 for 60 watt. lamps and Rs. 20-11-5 for 30 watt. lamps burning 2,500 hours. The total cost of the whole scheme is estimated at Rs. 5,175-4-1. The Commissioners propose to impose a lighting rate of 2 per cent. on annual value of holdings situated within 825 feet from centre on either side of the roads and lanes proposed for lighting at present, and later on taking up other roads and lanes and imposing light tax within the area defined above. The income to be derived from light tax as at present estimated is Rs. 6,388-15 per year against an annual expenditure of Rs. 5,175-4-1 as noted above.

No. 1 I.—*The 5th March 1928.*—The following draft of revised rules and rates of tolls for the line of navigation known as the Madaripur Bhil Channel and the Lower Kumar River as defined in Notification No. 128, dated the 26th June, 1900, and Notification No. 162, dated 22nd July, 1902, paragraphs 17 and 18, which in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor in Council intends to make in supersession of all previous notifications on the subject, is hereby published for the information of persons likely to be affected thereby.

The draft will be taken into consideration on or after the 26th April, 1928, and any objections or suggestions received by the undersigned before that date will be considered.

W. H. NELSON,
Secretary to the Government of Bengal (Offg.).

Draft Rules.

1. Every vessel passing through the line of navigation known as the Madaripur Bhil Channel shall stop at the prescribed toll stations notified in the Schedule attached for the purpose of assessment, or check, of toll charges.

2. For the purposes of these rules, vessels other than rafts, timbers, bamboos or other floating material shall be divided into two classes as below :—

Class I—To include all vessels of the usual native types of build.

Class II—To include all steamers, flats and barges, and such other square built boats as should, in the opinion of the Collector of Tolls, be included.

3. The net tonnage of every vessel of Class I, whether laden or empty, shall, for the purposes of these rules, be determined by the following measurements :—

(A) The product of one-quarter the length of the vessel from stem to stern, measured along the water-line, multiplied by the interior greatest breadth of the vessel, multiplied by the interior greatest depth from the water-line to the bottom of the vessel, is to be taken as equal to the number of maunds upon which toll shall be levied.

(B) The measurement of the length is to be made in feet, rejecting inches; the measurement of the breadth and depth is to be made in feet and quarters of a foot, rejecting portions of less than a quarter of a foot.

(C) The maundage on which tollage shall be charged shall be a simple multiple of 12½ maunds, rejecting any remainder by which the maundage, calculated as above, may exceed such simple multiple.

4. For vessels in Class II the tonnage shall be determined as follows :—

The tonnage of steamers shall be the registered tonnage as given in the certificate of the survey of the steamer.

Toll shall be levied on the actual weight of cargo on steamers, flats, barges and other vessels included in this class, as declared in the manifests.

When the registered tonnage of a steamer or the manifest for cargo of a flat is not available, the tonnage will be taken as arrived at under rule 3.

For square built boats the total maundage, as determined under rules for Class I, shall be increased by half, and for steamers one-third of the total maundage shall be deducted for engine space.

5. Every vessel except as exempted under rule 10 shall be furnished at the toll station of entry with a ticket on which the name of the serang, manjhi or other person in charge of the vessel, the date of entry, the maundage of the vessel, the nature and weight of the cargo it contains, the amount of toll charged and the number of days for which the ticket will remain current shall be entered.

6. This ticket may be demanded and checked by any Navigation Officer while the vessel is within the toll-limits of the Bhil Channel and must be kept on board and at hand for that purpose. The ticket must be given up at the exit toll station. If the ticket is not produced on demand by a Canal Officer, such officer shall assess the amount of toll payable and the vessel will be liable to seizure and detention under the provisions of section 9 of the Act until such sum is realised.

7. Vessels leaving the channel between two toll stations shall obtain a permit for so doing in Form No. 1 from the Toll Collector of the toll station of entry. In such cases the Toll Collector will issue a ticket in the usual form and also collect the same before the vessel is permitted to proceed.

8. A vessel, which has been detained under these rules or under section 9 of the Act, may not be removed from the channel without the order of the Collector of Tolls until the toll due has been paid. During such detention the manjhi, owner or agent must make arrangements for the safety of the vessel and cargo.

9. All tolls are payable on demand and shall be paid at the toll station before a vessel is permitted to proceed. Provided that the Collector of Tolls appointed under section 8 of the Act may, at his discretion, permit vessels belonging to individuals or firms of recognised standing to proceed without prepayment, on an undertaking that the bills for tollage due shall be liquidated monthly on presentation.

10. (*i*) In the case of steamers and flats falling under the latter portion of rule 9 a copy of the traffic manifest must be handed in at the exit toll station, a receipt for which in Form No. 2 will be issued by the Toll Collector to the person in charge of the vessel; in such cases no ticket in the usual form will be issued. If the traffic manifest is not produced at the exit toll station the procedure as laid down in rules 6 and 8 will be adopted.

(*ii*) The traffic manifest or the receipt for the same may be demanded by any Navigation Officer while the vessel is within the limits of the Bhil Channels between the Manickdah entrance and Charmaguria.

11. The term "Navigation Officer" as used in rule 6 shall include the Collector of Tolls appointed under section 8 of the Act, and the officer, or the subordinate duly authorised by such officer of the Irrigation Department in charge of the subdivision or section within which the channel is situated.

12. Duplicates of lost tickets will be granted by the Toll Collector who originally issued the tickets on payment of a fee of one-fourth of the amount of toll payable, subject to a maximum of one rupee and eight annas and a minimum of eight annas. The duplicate will be issued only when the Toll Collector is satisfied concerning the identity of the boat.

13. No person shall wilfully or negligently allow a vessel to sink in the channel.

14. (*i*) In every case of a sunken vessel, whether due to negligence or otherwise, the Supervisor and his subordinates shall offer every assistance in removing the same.

(*ii*) If, three days after the occurrence of a wreck, it is seen that prompt measures are not being taken by the owner to remove the sunken vessel from the line of navigation, the Supervisor and his subordinates shall make their own arrangements for the removal of the same at the expense of the owner, provided that when the wreck obstructs the fairway they shall take action at once to remove the same.

15. When a sunken vessel has been recovered, the Supervisor shall cause notices to be posted at the toll offices, or other prominent places, calling on those concerned to pay the Collector of Tolls all toll or demurrage which may be due, as well as the expenses incurred in the recovery of the vessel and cargo. Should the sum due be not paid within fifteen days of the date of notice, the boat and its furniture, or so much of it as may be necessary for the recovery of the dues, will be sold under the procedure directed in section 9 of the Act.

16. The purchaser of a vessel sold under the provisions of section 9 of the Act shall have the right to take it out of the channel on the day of purchase, or within such time as may be allowed by the Collector of Tolls, without payment of tolls.

17. When any laden vessel, which has sunk, has been recovered, or when any laden vessel has been seized under the provisions of the Act or of these rules, the Supervisor shall give immediate notice of the recovery or seizure to the owner of the cargo or his agent, requiring the removal of the cargo without delay, and informing him that he will be required to pay all expenses necessary for the proper custody and storage of the cargo until removed.

18. If the Supervisor be unable to ascertain the name and place of business or the abode of the owner of the cargo of such vessel, the notice prescribed in rule 16, shall be effected by a notice exhibited in his office, and by advertisement in at least one English and one vernacular Calcutta and local newspaper.

19. *Lights and signals.*—All vessels, whether travelling or moored in the channel, between sunset and sunrise, must carry a white light in a lantern on the fore-part of the vessel where it can be distinctly seen from all sides. All steam-vessels in motion shall carry the lights prescribed by the Board of Trade Regulations. Barges or boats attached to a steam-vessel, whether in motion or moored, shall carry the light prescribed in the first paragraph of this rule. This rule does not apply to small uncovered dinghis not exceeding 10 cubits in length while moored along the bank.

20. Every vessel proceeding in the Madaripur Bhil Route and Lower Kumar river should limit her speed as follows:—

	Miles an hour.
From Haridaspore to Takerhat . .	8
From Takerhat to Char Muguria	6
While passing a dredger in the above channels ...	4

They should, however, limit their speed to 5 miles an hour in any reach as determined by the Supervisor and marked by white discs.

21. At places where mooring posts have been provided by the Supervisor, vessels desiring to moor shall be made fast in a single line along the banks to such posts in such manner as the Supervisor may direct and shall not be moored in any other manner.

22. The Superintending Engineer, Southern Circle, may fix the limit within which vessels are permitted to remain free of toll and may also define the limits within which no loading or unloading shall be permitted.

23. No vessel or raft shall be placed in such a position as to endanger the safety or obstruct the passage of other vessels.

24. When a red cone is hoisted at Haridaspore, upward bound vessels must stop and make fast in the entrance channel. When a white ball is exhibited, vessels may proceed.

25. When a red cone is hoisted at Tentulia, downward bound vessels must stop above the toll station until a white ball is exhibited, when they may proceed.

26. Downward bound vessels must stop in the Urialkhan river when a red cone is hoisted at the mast below the entrance to the Kumar river. When a white ball is hoisted they may proceed.

27. Upward bound vessels must stop, and make fast and single out flats when a red cone is exhibited opposite Messrs R. Sim's premises When a white ball is raised, they may proceed.

28. At night a red light will take the place of a red cone, and two white lights one above the other will take the place of the white ball.

29. On *hât* days all vessels must slow down when passing Bherarhat, Satpur, Jalirpar, Takerhat, Rajore and Charmuguria.

30. No country boat shall anchor, be moored or remain stationary in the Bhil Channel at Boltali, Jalirpar or Tentulia except within the boat docks which have been specially provided for this purpose at these places.

31. Between the Madhumati entrance at Manickdah and Fatteypur all boats except when crossing the channel shall travel along the right-hand side of the channel, *i.e.*, boats going westwards will keep to the northern side and those going eastwards to the southern side.

32. No log rafts will be allowed in the above channels except with special permission of the Supervisor.

33. No log shall be kept half in and half out of water, *i.e.*, all logs shall be drawn up on the bank well above the level of the water in the channel.

34. For any infringement of the rules, 6, 7, 8, 9, 10, 13, 14, 15, 17, 19, 20, 21, 23, 24, 25, 26, 27, 29, 30, 31, 32 and 33 the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 or Rs. 5 a day for any continuing infringement.

Special Rules.

1. No country boat shall anchor or remain stationary except alongside the bank of the river or within the area between the south bank and the marks placed to mark the fairway.

2. No log rafts or boats with timbers lashed alongside shall be allowed inside the Lower Kumar river without special permission of the Supervisor.

3. Boats, except the municipal ferry boats, shall not be moored along the north bank except for the purpose of loading or unloading cargo, and then only in a single line and they should be parallel to the bank.

4. No flat shall be moored in the channel except during actual loading or unloading cargo and then as close to the bank as possible.

5. Mooring of boats along any reach of the canal can be prohibited by special orders of the Superintending Engineer, for a definite time, the reach being marked by sign boards at either end on which the prohibition will be written.

6. Vessels passing through the river shall keep in separate lines in accordance with the rules in force as laid down by the Superintending Engineer, Southern Circle, from time to time.

7. No person shall deposit goods of any description on the slopes of the river between the water-line and the high bank except during the actual process of loading or unloading vessels, without the previous permission of the Supervisor.

8. In the Lower Kumar river between Fatteypur and Charmuguria steam-propelled vessels proceeding against the current should give way to those proceeding with the current.

9. The Executive Engineer will have powers to decide, in consultation with the Steamer Companies concerned, the dates each year within which only one flat towage will be permitted in the Lower Kumar river.

10. For any infringement of the rules 1 to 8 the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 or Rs. 5 a day for any continuing infringement.

No. 3609G.—The following draft rules making amendments in the provisions of the First Schedule to the Code of Civil Procedure, 1908, having been framed by the High Court of Judicature at Fort William in Bengal, are published for general information under section 122 of the Code and will be finally taken into consideration by the High Court on or after the 16th May 1928.

Draft Rules.

I. *Cancel* clause (*1*), Rule 9, Order VII and *substitute* therefor the following :—

"(1) The plaintiff shall endorse on the plaint, or annex thereto, a list of the documents (if any) which he has produced along with it.

(1) (*a*) The plaintiff shall present with his plaint :—

(*i*) as many copies on plain paper of the plaint as there are defendants, unless the Court by reason of the length of the plaint or the number of the defendants, or for any other sufficient reason, permits him to present a like number of concise statements of the nature of the claim made, or of the relief claimed in the suit, in which case he shall present such statements ;

(*ii*) a petition for service of summons to appear and answer together with the fees and draft forms of summons ".

II. *Add* the following as clause (*e*) to Rule 11, Order VII :—

"(*e*) Where any of the provisions of Rule 9 (*1*) (*a*) is not complied with and the plaintiff on being required by the Court to comply therewith within a time to be fixed by the Court, fails to do so ".

III. *Cancel* Rules 15 and 17, Order V and *substitute* therefor the following : —

"15. Where in any suit the defendant is absent from his residence at the time when service is sought to be effected on him thereat and there is no likelihood of his being found thereat within a reasonable time, then unless he has an agent empowered to accept service of the summons on his behalf, service may be made on any adult male member of the family of the defendant who is residing with him :

Provided that where such adult male member has an interest in the suit and such interest is adverse to that of the defendant, a summons so served shall be deemed for the purposes of the third column of article 164 of Schedule I of the Limitation Act, 1908, not to have been duly served.

Explanation.— A servant is not a member of the family within the meaning of this rule".

"17. Where the defendant or his agent or such other person as aforesaid refuses to sign the acknowledgment, or where the defendant is absent from his residence at the time when service is sought to be effected on him thereat and there is no liklihood of his being found thereat within a reasonable time and there is no agent empowered to accept service of the summons on his behalf, nor any other person upon whom service can be made, the

serving officer shall affix a copy of the summons on the outer door or some other conspicuous part of the house in which the defendant ordinarily resides or carries on business or personally works for gain, and shall then return the original to the Court from which it was issued, with a report endorsed thereon or annexed thereto stating that he has so affixed the copy, the circumstances under which he did so, and the name and address of the person (if any) by whom the house was identified and in whose presence the copy was affixed".

IV. *Cancel* Rule 19, Order V and *substitute* therefor the following :—

"19. Where a summons is returned under rule 17, the Court shall, if the return under that rule has not been verified by the declaration of the serving officer, and may, if it has been so verified, examine the serving officer, on oath, or cause him to be so examined by another Court, touching his proceedings, and may make such further enquiry in the matter as it thinks fit, and shall either declare that the summons has been duly served or order such service as it thinks fit".

V. *Insert* the following after Rule 19, Order V :—

"19A. A declaration made and subscribed by a serving officer shall be received as evidence of the facts as to the serving or attempted service of the summons".

VI. *Insert* the words "(or proof of the above having been duly made by the declaration of)" *after* the words "proof of the above having been duly taken by me on the oath of " in form No. 10, appendix B.

VII. *Substitute* the following for the existing form No. 11, appendix B :—

"Declaration of process-server to accompany return of a summons or notice (Order 5, Rule 18).

(TITLE).

VIII. *Cancel* clauses (*1*) and (*2*) of Rule 2, Order XVI and *substitute* therefor the following :—

"(*1*) The Court shall fix in respect of each summons such a sum of money as appears to the Court to be sufficient to defray the travelling and other expenses of the person summoned in passing to and from the Court in which he is required to attend, and for one day's attendance.

(*2*) In fixing such an amount the Court may, in the case of any person summoned to give evidence as an expert, allow reasonable remuneration for the time occupied both in giving evidence and in performing any work of an expert character necessary for the case ".

IX. *Cancel* Rule 3, Order XVI, and *substitute* therefor the following :—

"3. The sum so fixed shall be tendered to the person summoned, at the time of serving the summons, if it can be served personally ".

X. *Cancel* clause (*1*) of Rule 4, Order XVI, and *substitute* therefor the following :—

"(*1*) Where it appears to the Court or to such officer as it appoints in this behalf that the sum so fixed is not sufficient to cover such expenses or reasonable remuneration the Court may direct such further sum to be paid to the person summoned as appears to be necessary on that account, and, in case of default in payment, may order such sum to be levied by attachment and sale of the moveable property of the party obtaining the summons ; or the Court may discharge the person summoned, without requiring him to give evidence ; or may both order such levy and discharge such person as aforesaid ".

XI. *Insert* the following after Rule 7(*a*), Order XVI :—

"7. (*a*) (*i*) Except where it appears to the Court that a summons under this Order should be served by the Court in the same manner as a summons to a defendant, the Court shall make over for service, all summonses under this Order to the party applying therefor. The service shall be effected by or on behalf of such party by delivering or tendering to the witness in person a copy thereof signed by the Judge or such officer as he appoints in this behalf and sealed with the seal of the Court.

(*ii*) Rules 16 and 18 of Order V shall apply to summons personally served under this rule, as though the person effecting service were a serving officer.

(*iii*) If such summons, when tendered, is refused or if the person served refuses to sign an acknowledgment of service or if for any reason such summons cannot be served personally, the Court shall, on the application of the party, reissue such summons to be served by the Court in like manner as a summons to a defendant ".

XII. *Cancel* Rule 8, Order XVI and *substitute* therefor the following :—

"8. (*1*) Every summons under this Order not being a summons made over to a party for service under Rule 7(*a*)(*i*) of this Order, shall be served as nearly as may be in the same manner as a summons to a defendant, and the rules in Order V as to proof of service shall apply thereto.

(*2*) The party applying for a summons to be served under this rule shall, before the summons is granted and within a period to be fixed, pay into Court the sum fixed by the Court under Rule 2 of this Order ".

XIII. *Insert* the following after Rule 14, Order VI :—

"14. (*a*) Every pleading when filed shall be accompanied by a statement in a prescribed form, signed as provided in rule 14 of this order, of the party's address for service. Such address may from time to time be changed by lodging in Court a form duly filled up and stating the new address of the party and accompanied by a verified petition. The address so given shall be called the registered address of the party and shall, until duly changed as aforesaid, be deemed to be the address of the party for the purpose of service of all processes in the suit or in any appeal from any decree or order therein made and for the purposes of execution, and shall hold good subject as aforesaid for a period of two years, after the final determination of the cause or matter. Service of any process may be effected upon a party at his registered address in like manner in all respects as though such party resided thereat."

XIV. *Insert* the following as clause (*3*) to Rule 14, Order XLI.

"(*3*) It shall be in the discretion of the Appellate Court to make an order, at any stage of the appeal whether on its own motion, or *ex parte*, dispensing with service of such notice on any respondent who did not appear, either at the hearing in the Court whose decree is complained of or at any proceeding subsequent to the decree of that Court or on the legal representatives of any such respondent :—

Provided that :—

(*a*) The Court may require notice of the appeal to be published in any newspaper or newspapers as it may direct.

(*b*) No such order shall preclude any such respondent or legal representative from appearing to contest the appeal."

XV. *Add* the following to Rule 11, Order XXII.

"Provided always that where an Appellate Court has made an order dispensing with service of notice of appeal upon legal representatives of any person deceased under Order XLI, Rule 14 (*3*), the appeal shall not be deemed to abate as against such party and the decree made on appeal shall be binding on the estate or the interest of such party."

NOTIFICATION

An Examination in the Art and Practice of Teaching for teachers of English subjects in Boys' Secondary Schools (aided and unaided) including Madrasahs in the Chittagong Division will be held at the Chittagong Normal School on the 18th June 1928, at 11 A.M., and on the following date, if necessary. The examination of teachers of vernacular subjects and oriental classical languages of the same schools will also be held on the same date and at the same place and hour.

2. The following teachers are eligible for the examinations:—

(*a*) Teachers of English subjects, who have passed (*i*) the Matriculation or some higher University examination, or (*ii*) the Middle English Scholarship Examination or the terminal examination at the end of the middle stage of instruction. The examination of these teachers will be conducted in English.

(*b*) Teachers of vernacular subjects, who have passed the University examinations named in (*a*) above or the Middle Vernacular Scholarship Examination, or the terminal examination at the end of the middle stage of instruction. The examination of these teachers will be conducted in vernacular.

(*c*) Pandits and Maulvis employed in teaching oriental classical languages other than pandits in Sanskrit *tôls* and maulvis in Madrasahs. They must have passed the Sanskrit Title Examination or the Final Examination of a senior grade Madrasah. The examination in the case of these classes of teachers will be conducted either in English or vernacular at the option of the candidate.

3. The examination will consist of—

(*a*) A practical examination in class control, the candidate being required to keep a class of, at least, a dozen boys attentive and fully occupied throughout a lesson.

(*b*) A practical test of teaching ability, the candidate being required to give two lessons on any two of the subjects—English, Bengali, Sanskrit, Arabic, Persian, Urdu, History, Geography, Arithmetic, Algebra, Geometry, etc.

(*c*) An oral examination, in which the Inspector of Schools or other examiner will ask questions on the art of teaching, object lessons, class management, organisation and discipline.

The following books are recommended for study by the candidate:—

(*i*) For teachers of English subjects—

(1) Indian Teachers' Guide, by P. Wren.
(2) Indian School Organisation, by P. Wren.
(3) Suggestions for the Consideration of Teachers (Board of Education, Whitehall).
(4) Talk to Teachers (James).

(*ii*) For teachers of vernacular subjects—

(1) বিবিধ বিধান, by A. N. Adhikari.
(2) Teachers' Manual, by Khan Bahadur Ahsanullah.
(3) পাঠ টীকা লিখিবার পদ্ধতি, by Jagannath Dey.
(4) মনোবিজ্ঞান, by S. C. Brahmachary.

(*iii*) Teachers of oriental classical languages may study any of the above sets of books.

4. Intending candidates from high schools and senior Madrasahs should submit their applications through the Head Masters or Superintendents, as the case may be, and teachers of middle schools and junior Madrasahs through the Subdivisional Inspectors of Schools, so as to reach this office not later than the 10th June 1928. Every candidate will produce at the time of the examination the certificate of his having passed the University or other examination, which admits him to the present examination. The following information should accompany the application:—

(1) Name (in full).
(2) Name of father (in full).
(3) Names of native village and district.
(4) Last examination passed.
(5) Year of passing.

Notice.

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are—(1) that widowed daughters incapable of remarriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominees predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

PART VI.

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 1st February, 1928 :—

LEGISLATIVE ASSEMBLY BILL NO. 2 OF 1928.

A Bill further to amend the Indian Merchant Shipping Act, 1923, in order to vest in the Governor General in Council the control of matters covered by that Act.

WHEREAS, by the Devolution Rules, made under section 45A of the Government of India Act, subjects, in relation to the functions of Government, have been classified as central and provincial subjects, for the purpose of distinguishing the functions of Local Governments and the functions of the Governor General in Council ;

AND WHEREAS the Indian Merchant Shipping Act, 1923, relates to matters falling within the scope of subjects classified as central, but vests the control of many of the said matters in Local Governments ; XXI of 1923.

AND WHEREAS it is expedient to vest the control of all such matters in the Governor General in Council ;

It is hereby enacted as follows :—

Short title and commencement.

1. (1) This Act may be called the Indian Merchant Shipping (Amendment) Act, 1928.

(2) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Substitution of the Governor General in Council for the Local Governments.

2. In the sections, sub-sections and clauses of the Indian Merchant Shipping Act, 1923 (hereinafter referred to as the said Act), which are shown in the first three columns of the Schedule as being amended in accordance with this section, for the words "the Local Government", or "a Local Government", or "any Local Government", as the case may be, wherever they occur, the words "the Governor General in Council" shall be substituted. XXI of 1923

Substitution of "he" signifying the Governor General in Council for "it" signifying a Local Government

3. In the sections, sub-sections and clauses of the said Act, which are shown in the first three columns of the Schedule as being amended in accordance with this section, for the word "it" wherever it occurs signifying a Local Government, the word "he" shall be substituted.

Omission of phrases relating to the sanction, approval or control of the Governor General in Council.

4. In the sections, sub-sections and clauses of the said Act, which are shown in the first three columns of the Schedule as being amended in accordance with this section, the words "with the previous sanction of the Governor General in Council", or "and the sanction of the Governor General in Council", or "subject to the control of the Governor General in Council", or "with the previous approval of the Governor General in Council", or "with the approval of the Governor General in Council", as the case may be, shall be omitted.

Substitution of "Gazette of India" for "local official Gazette"

5. In the sections, sub-sections and clauses of the said Act, which are shown in the first three columns of the Schedule as being amended in accordance with this section, for the words "local official Gazette" wherever they occur, the words 'Gazette of India" shall be substituted.

Further amendments to be made

6. In addition to the amendments to be made under sections 2, 3, 4 and 5, the amendments shown in the fourth column of the Schedule shall be made in the sections, sub-sections or clauses of the said Act shown against them in the first two columns of the Schedule.

Insertion of new section 4A in Act XXI of 1923

7. After section 4 of the said Act, the following section shall be inserted, namely :—

Power of the Governor General in Council to delegate his powers to Local Governments.

"4A. The Governor General in Council may, by notification in the Gazette of India, delegate to any Local Government any or all of his powers under this Act, either absolutely or subject to such conditions or restrictions as he may think fit."

Saving of things done under Act XXI of 1923.

8. Where anything done under the said Act is in force immediately prior to the commencement of this Act, it shall be deemed, as from the commencement of this Act, to have been done under the said Act as hereby amended.

STATEMENT OF OBJECTS AND REASONS.

The list of central subjects in Schedule I to the Devolution Rules, made under section 45A of the Government of India Act, includes the following :—

(1) Shipping and navigation ;
(2) Lighthouses ;
(3) Port quarantine ; and
(4) Major ports.

All these subjects are now administered through the agency of the Local Governments, as provided by section 45A (1) (*c*) of the Govenment of India Act, and statutory powers in respect of them have hitherto to a large extent been vested in the Local Governments. At a Conference held in Delhi in November 1924, which was attended by representatives of the Local Governments, the Chairmen of the Port Trusts of the major ports, Port Officers and Port Health Officers, as well as by representatives of the Departments of the Government of India concerned, it was considered whether these subjects should continue to be administered through the agency of the Local Governments or should be administered direct by the Governor General in Council. As a result of these discussions, the Government of India decided that (1) shipping and navigation, and (2) lighthouses should be administered direct, and that legislation should be undertaken so as to vest the necessary statutory powers in the Governor General in Council. They also decided that the question of the major ports, about which there was some difference of opinion, should be reconsidered later when experience of the central administration of other subjects had been gained. Port quarantine, which is closely connected with the sanitation of the port generally, will also be dealt with separately.

2. The Indian Lighthouse Act, which was passed in September 1927, provides for the direct administration of lighthouses by the Governor General in Council. The object of the present Bill is to amend the Indian Merchant Shipping Act, 1923, so as to provide for the administration of shipping and navigation by the Governor General in Council direct, instead of through the agency of the Local Governments. The amendments which are specified in the Schedule to the Bill are mainly formal, substituting the words " Governor General in Council " for " Local Government " and making the necessary consequential amendments. Clause 7 of the Bill, however, empowers the Governor General in Council to delegate to any Local Government all or any of his powers under the Act. This provision has been included in the Bill to give the necessary elasticity in administration during the period of transition, and to permit the delegation of powers in matters which, it may be found, can more conveniently continue to be administered through the agency of the Local Governments.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 9th February, 1928 :—

LEGISLATIVE ASSEMBLY BILL NO. 5 OF 1928.

A Bill to reserve the Coastal Traffic of India to Indian Vessels.

WHEREAS it is expedient to provide for the rapid development of an Indian Merchant Marine ;

And whereas for this purpose it is expedient to reserve the Coastal Traffic of India to Indian vessels ; It is hereby enacted as follows :—

Short title, extent and commencement.

1. (*1*) This Act may be called the Reservation of the Coastal Traffic of India Act, 192 .

(*2*) It extends to the whole of the Coastal Traffic of British India and of the Continent of India.

(*3*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(1) " A common carrier by water " means a common carrier by water engaged in the cargo and passenger traffic between any two ports in British India, or between any port in British India and any port or place on the Continent of India.

(2) " A subject " means a person and includes a joint stock company, corporation, partnership or association existing under or authorised by the laws of British India.

(3) " Controlling interest " means—

(*a*) that the title to not less than 75 per cent. of the stock is vested in British Indian subjects free from any trust or fiduciary obligation in favour of any person other than a British Indian subject,

(*b*) and that in the case of a joint stock company, corporation or association, the Chairman of the Board of Directors and not less than 75 per cent. of the number of members of the Managing firm of and of the Directors of the Board are British Indian subjects,

(*c*) and that not less than 75 per cent. of the voting power is vested in British Indian subjects,

(*d*) and that through any contract or understanding it is not arranged that more than 25 per cent. of voting power may be exercised, directly or indirectly, on behalf of any person who is not a British Indian subject,

(*e*) and that by any other means whatsoever control of any interest in excess of 25 per cent. is not conferred upon or permitted to be exercised by any person who is not a British Indian subject.

(4) " The coasting trade of India " means the carriage by water of goods or passengers between any ports in British India, or between any port in British India and any port or place on the Continent of India.

License for coasting trade

3. No common carrier by water shall engage in the coasting trade of India unless licensed to do so.

Issue of license.

4. The license for engaging in the coasting trade of India shall, on applications, be issued by the Governor General in Council, subject to such rules and conditions as may be prescribed in that behalf by the Governor General in Council.

Security for license

5. Before granting a license, the Governor General in Council may require security to be given to his satisfaction by the master, owner, charterer or agent of the vessel for compliance with the conditions of the license.

Amount of security.

6. The amount of security required under section 5 shall not exceed Rs. 50,000.

Duration of license

7. Every such license shall be for the duration of three years only.

Renewal of license

8. Every such license shall on its expiry be renewable on application to the Governor General in Council.

Proportion of tonnage

9. A proportion of not less than 20 per cent. of the tonnage licensed for the first year, not less than 40 per cent. of the tonnage licensed for the second year, not less than 60 per cent. of the tonnage licensed for the third year, not less than 80 per cent. of the tonnage licensed for the fourth year and all the tonnage license for the fifth and subsequent years shall have the controlling interest therein vested in British Indian subjects.

Penalty.

10. The penalty for the contravention of this Act shall be a fine not exceeding Rs. 10,000, or simple imprisonment for a period not exceeding six months, or both.

Cancellation of license

11. In addition to or in lieu of any penalty otherwise provided, the Governor General in Council may cancel any license for engaging in the coasting trade of India if he is satisfied that a breach of any of the conditions of the license, as may from time to time be prescribed by the Governor General in Council, has been committed

Opportunity to show cause

12. No license for engaging in the coasting trade of India shall be cancelled, unless an opportunity has been given to the master, owner, charterer or agent of the vessel to show cause against such cancellation.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to provide for the employment of Indian tonnage in the coastal traffic of British India and of the Continent of India. This Bill is intended to serve as a powerful aid to the rapid development of an Indian Merchant Marine. Several attempts made in this direction in the past have all practically failed, owing, it is believed, to the existence of powerful non-Indian interests in the coasting trade of India. There can be no doubt that the growth of an Indian Merchant Marine would prove a powerful factor in the employment of Indian talent and the further extension of Indian trade in various directions in a manner calculated to advance the national interests of India.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 9th February, 1928 :—

LEGISLATIVE ASSEMBLY BILL NO. 6 OF 1928

A Bill further to amend the Indian Merchant Shipping Act, 1923, for certain purposes.

WHEREAS it is expedient further to amend the Indian Merchant Shipping Act, 1923, for the purposes hereinafter appearing; It is hereby enacted as follows :— XXI of 1923.

Short title and commencement.

1. (*1*) This Act may be called the Indian Merchant Shipping (Amendment) Act, 192 .

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Substitution of new section for section 24, Act XXI of 1923.

2. For section 24 of the Indian Merchant Shipping Act, 1923 (hereinafter referred to as the said Act), the following shall be substituted, namely :— XXI of 1923.

"24. (*1*) Employment Bureau shall be established and maintained, at the ports of Calcutta and Bombay and such other ports as the Governor General in Council may deem necessary, to engage or supply seamen for merchant ships in British India.

(*2*) For every such Bureau, there shall be a Bureau Officer with such Deputy Bureau Officers, clerks, and servants (if any) as the Governor General in Council may consider necessary."

Amendment of section 25, Act XXI of 1923

3. In section 25 of the said Act,—

(*i*) in sub-section (*1*), for the words "either holds a licence under this Act for the purpose," the words "is the Bureau Officer or Deputy Bureau Officer" shall be substituted; and the words "or is *bonâ fide* the servant and in the constant employ of the owner" shall be omitted;

(*ii*) in sub-section (*2*), for the words "either holds a licence under this Act for the purpose" the words "is the Bureau Officer or Deputy Bureau Officer" shall be substituted; and the words "or is *bonâ fide* the servant and in the constant employment of the owner" shall be omitted;

(*iii*) in sub-section (*4*), for the word "hundred" the word "thousand" shall be substituted; and the words "and, if a licensed person, shall forfeit his licence" shall be omitted.

Amendment of section 26, Act XXI of 1923.

4. In sub-section (*2*) of section 26 of the said Act, for the words "a fine of fifty rupees" the words "a sentence of rigorous imprisonment which may extend to two years" shall be substituted; and the words "and if a licensed person, shall forfeit his licence" shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

The present system of recruitment of seamen through the licensed brokers and ghat serangs and ghat butlers, which pre-eminently lends itself to extensive practice of bribery and corruption, has been unreservedly condemned by the Seamen's Recruitment Committee, appointed by the Government of India in 1922. The Committee recommended the abolition of the present system and its substitution by the Employment Bureau, organised and maintained, either by the representative associations of shipowners and seamen in co-operation or by the State, as suggested in the draft convention for establishing facilities for finding employment for seamen, framed and adopted by the General Conference of the International Labour Organization of the League of Nations, in its session at Geneva in June 1920. This Bill is intended to give effect to the unanimous recommendation of the Committee for the establishment of the Employment Bureau by the State and the abolition of the system of recruitment through the licensed brokers, ghat serangs and ghat butlers. The penal provisions with regard to the receipt of unauthorised remunerations for securing employment for seamen have been further stiffened in accordance with the recommendations of the Committee.

The following Bill was introduced in the Legislative Assembly on the 9th February, 1928 :—

LEGISLATIVE ASSEMBLY BILL No. 4 OF 1928.

A Bill further to amend the Indian Limitation Act, 1908, for a certain purpose.

WHEREAS it is expedient further to amend the Indian Limitation Act, 1908, for a certain purpose ; It is hereby enacted as follows :— IX of 1908

Short title and extent

1. (*1*) This Act may be called the Indian Limitation (Amendment) Act, 192 .

(*2*) It extends to the whole of British India.

Amendment of Schedule I to Act IX of 1908

2. In the First Schedule to the Indian Limitation Act, 1908,— IX of 1908

(*1*) Article No. 44 shall be omitted ; and

(*2*) After Article No. 126, the following article shall be inserted, namely,

Description of suit	Period of limitation.	Time from which period begins to run.
"126 A.—By a ward who has attained majority to set aside a transfer of property by his guardian.	Twelve years	When the alience takes possession of the property."

STATEMENT OF OBJECTS AND REASONS.

Article 44 of the Indian Limitation Act, 1908, provides a three years' period of limitation for a ward to seek to set aside a transfer of property made by his guardian, and the period begins to run from the time the ward attains majority. It has been held by the Law Courts that this Article governs the case of the cancellation of transfer of property by a mother as guardian. On the other hand, Article 126 provides a limitation period of twelve years for a Hindu, governed by the law of *Mitakshara*, to set aside his father's alienation of ancestral property, the limitation period beginning to run from the time the alienee takes possession of the property. But it will be seen that in both the cases, the limitation period should be the same. Indeed it will often be found that transactions of transfer of property made by mothers are more imprudent than those made by fathers. At any rate in the case of mothers, there is greater opportunity for transfers of property being the result of fraud, misrepresentation, imprudence and ignorance. Consequently wards would be entitled to get the benefit of at least as large a period of limitation in this case as in the case of transfers by their fathers. The reasoning, I think, applies equally to all the communities, and it would be quite an appropriate provision from the point of view of minor's interests, to fix a uniform period of limitation in all such cases, namely, a period of twelve years. The proposed deletion of Article 44 and the enactment of the new Article 126A will, I think, meet the needs of the case.

23. When anything done under the said Act is in force immediately prior to the commencement of this Act, it shall be deemed, as from the commencement of this Act, to have been done under the said Act as hereby amended.

STATEMENT OF OBJECTS AND REASONS.

The Port of Chittagong is at present a minor port and is, therefore, a provincial subject under item 30 of Part II of Schedule I to the Devolution Rules made under section 45-A of the Government of India Act. Of recent years, however, trade has considerably expanded, and a loan of Rs. 50 lakhs has been sanctioned for improving the river approaches. The port is the outlet to the sea of the Province of Assam, and it is considered desirable that its future development should be co-ordinated with the development of the Assam Bengal Railway. At the request of the Government of Bengal and with the concurrence of local interests, the Government of India propose that the port should be declared to be a major port under item 9 of Part I of Schedule I to the Devolution Rules, and that the statutory control of its administration should be transferred from the Local Government to the Governor General in Council. At the same time, the opportunity is being taken to reconstitute the Board of Commissioners for the port so as to give more effective representation to local interests.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Council of State on the 14th February, 1928 :—

COUNCIL OF STATE BILL NO. 5 OF 1928.

A Bill further to amend the Indian Securities Act, 1920, for certain purpose.

WHEREAS it is expedient further to amend the Indian Securities Act, 1920, for the purpose hereinafter appearing; It is hereby enacted as follows :— X of 1920

Short title.

1. This Act may be called the Indian Securities (Amendment) Act, 1928.

Amendment of section 4, Act X of 1920.

2. To section 4 of the Indian Securities Act, 1920, the following sub-section shall be added, namely :— X of 1920.

"(4) For the purposes of this section, a body incorporated under the Indian Companies Act, 1913, or the Co-operative Societies Act, 1912, or any other enactment for the time being in force whether within or without British India, relating to the incorporation of associations of individuals, shall be deemed to die when it is dissolved." VII of 1913. II of 1912.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to enable a company to hold Government securities jointly with a private individual or another corporate body and to empower Government to pay the amount of the security to the surviving joint holder in any case that may arise.

Section 4 (*1*) (*a*) of the Indian Securities Act, 1920, lays down that when a Government security is payable to two or more persons jointly, and either or any of them dies, the security shall be payable to the survivor or survivors of those persons. Though by virtue of section 3 (*39*) of the General Clauses Act, 1897, 'person' includes a company or association or body of individuals, whether incorporated or not, this definition has been held to be repugnant to section 4 (*1*) of the Indian Securities Act, as a corporation or association may be dissolved but cannot die and there can, therefore, be no survivorship as contemplated in the latter section. Thus the law as it stands precludes the possibility of a Government promissory note being held by a corporate body jointly with an individual or with another corporate body. The position as regards joint ownership of this nature was the same in England before the passing of the Bodies Corporate (Joint Tenancy) Act, 1899.

In accordance with the above view of the law, Government and the Public Debt Offices have been treating as invalid all endorsements on Government promissory notes in favour of a company jointly with an individual. The Public Debt Office, Bombay, has been addressed on more than one occasion by corporate bodies regarding the admissibility of joint ownership of Government securities on the lines recognised by the law in England, and the Controller of the Currency has reported that instances of such endorsements are coming to his notice and that he has been compelled to treat them as invalid. The Bill proposes to remove this technical difficulty by an amendment of section 4 of the Indian Securities Act, 1920.

The 10th February, 1928. E. BURDON.

Secretary to the Government of India.

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 7th March 1928.

Summary.—During the week the weather continued dry excepting for light and scattered showers in parts of some North and East Bengal districts. Preparation of lands for jute and other autumn crops is progressing slowly; rain is badly needed for the operation. Harvesting of spring crops continues in full swing. The standing crops are not doing well for want of soil moisture. Distress continues to prevail in parts of Burdwan, Bankura, Dinajpur, Nadia, Murshidabad, Birbhum and Malda. In the latter four districts the number of persons employed on test relief works was 679, 4,597, 574 and 2,160 respectively. The average price of common rice for the province has fallen by about 0·32 per cent. as compared with that of the previous week.

24-Parganas.

No. 206 M.—The 24th January 1928.—The following proposed plan for lighting a portion of the South Suburban Municipality, in the district of the 24-Parganas, with electricity, which has been submitted by the Commissioners of that municipality to the Government of Bengal (Ministry of Local Self-Government) for sanction under section 308 read with section 319 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), is published for the information of person likely to be affected thereby.

2. The proposed plan will be taken into consideration on the 2nd April 1928, and any objection or suggestion which may be received by the undersigned through the District Magistrate before that date will be duly considered :—

Electric Lighting Plan.

1. The portion of the municipality which it is proposed to light with electricity is defined below :—

North—The present southern boundary of the Corporation of Calcutta forming the southern boundary of the property of the Port Commissioners and Tollygunj Circular Road of the Corporation of Calcutta.

East—Tolly's Nullah.

South—Old Tollygunj Road, 2nd section, Shirity Road and Brahmosamaj Road.

West—Brahmosamaj Road, Garagacha Road, Kajipara Road, Bonomali Naskar Road, Pathakpara Road, and Sagar Manna Road.

2. Two hundred and twelve electric lamps will be installed as detailed in the accompanying statement. The Commissioners have decided to enter into an agreement with the Calcutta Electric Supply Corporation for installation of these lamps and for their maintenance at the annual rates of Rs. 40-2-8 for 60 watt. lamps and Rs. 25-2-8 for 30 watt. lamps burning for 4,000 hours and Rs. 31-4-2 for 60 watt. lamps and Rs. 20-11-5 for 30 watt. lamps burning 2,500 hours. The total cost of the whole scheme is estimated at Rs. 5,175-4-1. The Commissioners propose to impose a lighting rate of 2 per cent. on annual value of holdings situated within 825 feet from centre on either side of the roads and lanes proposed for lighting at present, and later on taking up other roads and lanes and imposing light tax within the area defined above. The income to be derived from light tax as at present estimated is Rs. 6,388-15 per year against an annual expenditure of Rs. 5,175-4-1 as noted above.

[Second publication.]

No. 1 I.—*The 5th March 1928.*—The following draft of revised rules and rates of tolls for the line of navigation known as the Madaripur Bhil Channel and the Lower Kumar River as defined in Notification No. 128, dated the 26th June, 1900, and Notification No. 162, dated 22nd July, 1902, paragraphs 17 and 18, which in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor in Council intends to make in supersession of all previous notifications on the subject, is hereby published for the information of persons likely to be affected thereby.

The draft will be taken into consideration on or after the 26th April, 1928, and any objections or suggestions received by the undersigned before that date will be considered.

W. H. NELSON,

Secretary to the Government of Bengal (Offg.).

Draft Rules.

1. Every vessel passing through the line of navigation known as the Madaripur Bhil Channel shall stop at the prescribed toll stations notified in the Schedule attached for the purpose of assessment, or check, of toll charges.

2. For the purposes of these rules, vessels other than rafts, timbers, bamboos or other floating material shall be divided into two classes as below:—

Class I—To include all vessels of the usual native types of build.

Class II—To include all steamers, flats and barges, and such other square built boats as should, in the opinion of the Collector of Tolls, be included.

3. The net tonnage of every vessel of Class I, whether laden or empty, shall, for the purposes of these rules, be determined by the following measurements:—

(A) The product of one-quarter the length of the vessel from stem to stern, measured along the water-line, multiplied by the interior greatest breadth of the vessel, multiplied by the interior greatest depth from the water-line to the bottom of the vessel, is to be taken as equal to the number of maunds upon which toll shall be levied.

(B) The measurement of the length is to be made in feet, rejecting inches; the measurement of the breadth and depth is to be made in feet and quarters of a foot, rejecting portions of less than a quarter of a foot.

(C) The maundage on which tollage shall be charged shall be a simple multiple of 12½ maunds, rejecting any remainder by which the maundage, calculated as above, may exceed such simple multiple.

4. For vessels in Class II the tonnage shall be determined as follows:—

The tonnage of steamers shall be the registered tonnage as given in the certificate of the survey of the steamer.

Toll shall be levied on the actual weight of cargo on steamers, flats, barges and other vessels included in this class, as declared in the manifests.

When the registered tonnage of a steamer or the manifest for cargo of a flat is not available, the tonnage will be taken as arrived at under rule 3.

For square built boats the total maundage, as determined under rules for Class I, shall be increased by half, and for steamers one-third of the total maundage shall be deducted for engine space.

5. Every vessel except as exempted under rule 10 shall be furnished at the toll station of entry with a ticket on which the name of the serang, manjhi or other person in charge of the vessel, the date of entry, the maundage of the vessel, the nature and weight of the cargo it contains, the amount of toll charged and the number of days for which the ticket will remain current, shall be entered.

6. This ticket may be demanded and checked by any Navigation Officer while the vessel is within the toll-limits of the Bhil Channel and must be kept on board and at hand for that purpose. The ticket must be given up at the exit toll station. If the ticket is not produced on demand by a Canal Officer, such officer shall assess the amount of toll payable and the vessel will be liable to seizure and detention under the provisions of section 9 of the Act until such sum is realised.

7. Vessels leaving the channel between two toll stations shall obtain a permit for so doing in Form No. 1 from the Toll Collector of the toll station of entry. In such cases the Toll Collector will issue a ticket in the usual form and also collect the same before the vessel is permitted to proceed.

8. A vessel, which has been detained under these rules or under section 9 of the Act, may not be removed from the channel without the order of the Collector of Tolls until the toll due has been paid. During such detention the manjhi, owner or agent must make arrangements for the safety of the vessel and cargo.

9. All tolls are payable on demand and shall be paid at the toll station before a vessel is permitted to proceed. Provided that the Collector of Tolls appointed under section 8 of the Act may, at his discretion, permit vessels belonging to individuals or firms of recognised standing to proceed without prepayment, on an undertaking that the bills for tollage due shall be liquidated monthly on presentation.

10. (*i*) In the case of steamers and flats falling under the latter portion of rule 9 a copy of the traffic manifest must be handed in at the exit toll station, a receipt for which in Form No. 2 will be issued by the Toll Collector to the person in charge of the vessel; in such cases no ticket in the usual form will be issued. If the traffic manifest is not produced at the exit toll station the procedure as laid down in rules 6 and 8 will be adopted.

(*ii*) The traffic manifest or the receipt for the same may be demanded by any Navigation Officer while the vessel is within the limits of the Bhil Channels between the Manickdah entrance and Charmaguria.

11. The term "Navigation Officer" as used in rule 6 shall include the Collector of Tolls appointed under section 8 of the Act, and the officer, or the subordinate duly authorised by such officer of the Irrigation Department in charge of the subdivision or section within which the channel is situated.

12. Duplicates of lost tickets will be granted by the Toll Collector who originally issued the tickets on payment of a fee of one-fourth of the amount of toll payable, subject to a maximum of one rupee and eight annas and a minimum of eight annas. The duplicate will be issued only when the Toll Collector is satisfied concerning the identity of the boat.

13. No person shall wilfully or negligently allow a vessel to sink in the channel.

14. (*i*) In every case of a sunken vessel, whether due to negligence or otherwise, the Supervisor and his subordinates shall offer every assistance in removing the same.

(*ii*) If, three days after the occurrence of a wreck, it is seen that prompt measures are not being taken by the owner to remove the sunken vessel from the line of navigation, the Supervisor and his subordinates shall make their own arrangements for the removal of the same at the expense of the owner, provided that when the wreck obstructs the fairway they shall take action at once to remove the same.

15. When a sunken vessel has been recovered, the Supervisor shall cause notices to be posted at the toll offices, or other prominent places, calling on those concerned to pay the Collector of Tolls all toll or demurrage which may be due, as well as the expenses incurred in the recovery of the vessel and cargo Should the sum due be not paid within fifteen days of the date of notice, the boat and its furniture, or so much of it as may be necessary for the recovery of the dues, will be sold under the procedure directed in section 9 of the Act.

16. The purchaser of a vessel sold under the provisions of section 9 of the Act shall have the right to take it out of the channel on the day of purchase, or within such time as may be allowed by the Collector of Tolls, without payment of tolls.

17. When any laden vessel, which has sunk, has been recovered, or when any laden vessel has been seized under the provisions of the Act or of these rules, the Supervisor shall give immediate notice of the recovery or seizure to the owner of the cargo or his agent, requiring the removal of the cargo without delay, and informing him that he will be required to pay all expenses necessary for the proper custody and storage of the cargo until removed.

18. If the Supervisor be unable to ascertain the name and place of business or the abode of the owner of the cargo of such vessel, the notice prescribed in rule 16, shall be effected by a notice exhibited in his office, and by advertisement in at least one English and one vernacular Calcutta and local newspaper.

19. *Lights and signals.*—All vessels, whether travelling or moored in the channel, between sunset and sunrise, must carry a white light in a lantern on the fore-part of the vessel where it can be distinctly seen from all sides. All steam-vessels in motion shall carry the lights prescribed by the Board of Trade Regulations. Barges or boats attached to a steam-vessel, whether in motion or moored, shall carry the light prescribed in the first paragraph of this rule. This rule does not apply to small uncovered dinghis not exceeding 10 cubits in length while moored along the bank.

20. Every vessel proceeding in the Madaripur Bhil Route and Lower Kumar river should limit her speed as follows:—

	Miles an hour.
From Haridaspore to Takerhat	8
From Takerhat to Char Muguria	6
While passing a dredger in the above channels ...	4

They should, however, limit their speed to 5 miles an hour in any reach as determined by the Supervisor and marked by white discs.

21. At places where mooring posts have been provided by the Supervisor, vessels desiring to moor shall be made fast in a single line along the banks to such posts in such manner as the Supervisor may direct and shall not be moored in any other manner.

22. The Superintending Engineer, Southern Circle, may fix the limit within which vessels are permitted to remain free of toll and may also define the limits within which no loading or unloading shall be permitted.

23. No vessel or raft shall be placed in such a position as to endanger the safety or obstruct the passage of other vessels.

24. When a red cone is hoisted at Haridaspore, upward bound vessels must stop and make fast in the entrance channel. When a white ball is exhibited, vessels may proceed.

25. When a red cone is hoisted at Tentulia, downward bound vessels must stop above the toll station until a white ball is exhibited, when they may proceed.

26. Downward bound vessels must stop in the Urialkhan river when a red cone is hoisted at the mast below the entrance to the Kumar river. When a white ball is hoisted they may proceed.

27. Upward bound vessels must stop, and make fast and single out flats when a red cone is exhibited opposite Messrs R. Sim's premises When a white ball is raised, they may proceed.

28. At night a red light will take the place of a red cone, and two white lights one above the other will take the place of the white ball.

29. On *hât* days all vessels must slow down when passing Bherarhat, Satpur, Jalirpar, Takerhat, Rajore and Charmuguria.

30. No country boat shall anchor, be moored or remain stationary in the Bhil Channel at Boltali, Jalirpar or Tentulia except within the boat docks which have been specially provided for this purpose at these places.

31. Between the Madhumati entrance at Maniekdah and Fatteypur all boats except when crossing the channel shall travel along the right-hand side of the channel, *i.e.*, boats going westwards will keep to the northern side and those going eastwards to the southern side.

32. No log rafts will be allowed in the above channels except with special permission of the Supervisor.

33. No log shall be kept half in and half out of water, *i.e.*, all logs shall be drawn up on the bank well above the level of the water in the channel.

34. For any infringement of the rules, 6, 7, 8, 9, 10, 13, 14, 15, 17, 19, 20, 21, 23, 24, 25, 26, 27, 29, 30, 31, 32 and 33 the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 or Rs. 5 a day for any continuing infringement.

Special Rules.

1. No country boat shall anchor or remain stationary except alongside the bank of the river or within the area between the south bank and the marks placed to mark the fairway.

2. No log rafts or boats with timbers lashed alongside shall be allowed inside the Lower Kumar river without special permission of the Supervisor.

3. Boats, except the municipal ferry boats, shall not be moored along the north bank except for the purpose of loading or unloading cargo, and then only in a single line and they should be parallel to the bank.

4. No flat shall be moored in the channel except during actual loading or unloading cargo and then as close to the bank as possible.

5. Mooring of boats along any reach of the canal can be prohibited by special orders of the Superintending Engineer, for a definite time, the reach being marked by sign boards at either end on which the prohibition will be written.

6. Vessels passing through the river shall keep in separate lines in accordance with the rules in force as laid down by the Superintending Engineer, Southern Circle, from time to time.

7. No person shall deposit goods of any description on the slopes of the river between the water-line and the high bank except during the actual process of loading or unloading vessels, without the previous permission of the Supervisor.

8. In the Lower Kumar river between Fatteypur and Charmuguria steam-propelled vessels proceeding against the current should give way to those proceeding with the current.

9. The Executive Engineer will have powers to decide, in consultation with the Steamer Companies concerned, the dates each year within which only one flat towage will be permitted in the Lower Kumar river.

10. For any infringement of the rules 1 to 8 the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 or Rs. 5 a day for any continuing infringement.

PART VI.

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

[AS INTRODUCED IN THE LEGISLATIVE ASSEMBLY.]

A Bill to regulate and improve the Law Reports.

WHEREAS it is expedient to diminish the multitude and expenses of the Law Reports published in India and to improve their quality and to regulate their publications; It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*1*) This Act may be called the Indian Law Reports Act, 192 .

(*2*) It extends to the whole of British India.

(*3*) It shall come into force on the..... ....

Definition

2. "Authorised reports" means and includes reports of law cases published by, or under the authority of, the Government of India, or any Provincial Government, or the Court deciding the cases reported, or a bar Council.

Authority given to only authorised reports

3. No Court shall allow to be cited, or itself refer to, the report of any case decided after the coming into force of this Act other than a report published in the authorised reports.

Authority of judicial decisions.

4. Nothing herein contained shall be construed to give to any judicial decision any further or other authority than it would have had if this Act had not been passed.

Repeal

5. The Indian Law Reports Act, 1875, is hereby repealed. XVIII of 1875.

STATEMENT OF OBJECTS AND REASONS.

The ever increasing number of Law Reports in India stands in need of check and proper regulation. All sorts of law journals and reports, good, bad and indifferent, are issued from different places. Mostly the same rulings are sooner or later published in different publications. Sometimes rulings which have ceased to be operative by the force of a subsequent ruling or change of law are published to swell the volume of reports, or to bring them up to the stipulated number of pages. With the same object numerous pages dealing with mere facts which have no bearing on the legal aspect of the case are also published. Sometimes rulings published in one journal are published in another after several months, thus causing confusion and embarrassment. The number and volume of Law Reports is becoming simply scandalous and requires check and regulation.

CALCUTTA, THE 10TH MARCH, 1928.

RESOLUTION—No. 3602 L.R.

READ—

The report of the Board of Revenue on the administration of Wards', Attached and Trust Estates in the Presidency of Bengal for the year 1333 B.S. (1926-27).

1. **Number of Estates under management.**—At the beginning of the year, the number of estates under the management of the Court of Wards was 79. During the year, six new estates were added and one was released, thus bringing the total number to 84 at the close of the year.

2. **Collection of rent and cesses.**—The total current demand on account of rent and cess was Rs. 61·18 lakhs and arrear Rs. 84·17 lakhs. Of the arrears, Rs. 31·94 lakhs were bad or doubtful. The total collection was Rs. 38·19 lakhs (or 62 per cent.) of the current demand and Rs. 25·08 lakhs (or 49 per cent.) of the good portion of the arrear. The Governor in Council hopes that more vigorous action will be taken for the collection of arrears, which are classed as recoverable.

3. **Debts of estates.**—During the year, the principal and interest repaid or otherwise reduced amounted to Rs. 11 lakhs leaving a debt (including arrear of interest) of Rs. 90·8 lakhs outstanding at the close of the year. The estates under management were taken over with debts aggregating Rs. 145 lakhs. The reduction in the debt is satisfactory but not as good as was anticipated when debt repayment schemes were drawn up. The estates for which schemes have been prepared have reduced their debts to Rs. 47 lakhs instead of to Rs. 28 lakhs according to the schemes.

4. **Management charges.**—The percentage of cost of management on current rent and cess demand was 13·7. In addition there are heavy law expenses of Rs. 5·1 lakhs or 8·4 per cent. of the current demand.

5. **Expenditure on schools, dispensaries and works of improvement.**—The Governor in Council observes with satisfaction that over Rs. 3 lakhs or nearly 5 per cent. of the current demand was spent on education, dispensaries and works of improvement.

6. The thanks of the Governor in Council are due to the Board of Revenue for the administration of the estates under the management of the Court of Wards. He also notices with pleasure the good work done by the Managers mentioned in the report.

By order of the Governor in Council,

W. H. NELSON,

Secretary to the Government of Bengal (offg.)

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 14th March 1928.

Summary.—Dry weather continued. Cultivation of jute and other autumn crops is being delayed for want of rain. Harvesting of spring crops is much advanced. Prospects of standing crops are not satisfactory owing to drought. Distress continues to prevail in parts of Burdwan, Bankura, Dinajpur, Nadia, Murshidabad, Birbhum and Malda. In the latter four districts the number of persons employed on test relief works was 709, 7,714, 316 and 2,477 respectively. The average price of common rice for the province has slightly fallen as compared with that of the previous week.

RESOLUTION ON THE REPORT OF THE DIRECTOR OF PUBLIC HEALTH, THE SANITARY BOARD AND THE CHIEF ENGINEER, PUBLIC HEALTH DEPARTMENT, FOR THE YEAR 1926.

GOVERNMENT OF BENGAL.

Local Self-Government Department.

Public Health.

CALCUTTA, THE 19th MARCH, 1928.

RESOLUTION—No. 708 P.H.

Minister-in-charge: The Hon'ble Sir Provash Chunder Mitter, Kt., C.I.E.

READ—

The Report of the Director of Public Health, the Sanitary Board and the Chief Engineer, Public Health Department, for the year 1926.

READ ALSO—

The annual statistical returns and short notes on Vaccination in Bengal for the year 1926-27.

1. **Public Health.**—(Statistical, Epidemiological and General Public Health Administration.)

Population.—For the purposes of this review the total population of Bengal, excluding the Chittagong Hill Tracts, is taken as 46,522,293 (1921 Census).

2. **Birth-rate and death-rate.**—During the year 1926 the number of recorded births in Bengal was 1,276,380 against 1,377,097 in 1925. The provincial birth-rate in 1926 was 27·4 per mille as compared with 29·6 per mille in 1925 and the quinquennial average of 28·9. The aggregate birth rate in the towns of Bengal during 1926 was 18·5 per mille against 19·8 in the preceding year, showing a decrease of 6·6 per cent.

The provincial death-rate in 1926 was 24·7 per mille as compared with 24·9 per mille in 1925, the quinquennial average being 26·3 per mille. Assam, North-West Frontier Province and Burma returned lower death-rates than Bengal.

In this connection the Director of Public Health points out that " the registration of vital occurrences is very defective in urban areas and no improvement has taken place as yet, except in a few isolated areas."

As regards verification of vital statistics the Director of Public Health also points out that " three hundred and thirty-one omissions of births and one hundred and nine of deaths were detected by the vaccination staff out of a total of 13,772 births and 9,451 deaths verified, giving a percentage of 2·4 for omissions of births and of 1·2 for those of deaths . . . . . Allowing for a recognised omission of 27 per cent. in each case the corrected birth and the death-rates of the province for the year 1926 should be 34·8 per mille and 31·4 per mille, respectively."

3. **Infant mortality.**—In 1926, 251,184 infants died under the age of one year, as compared with 249,582 during the preceding year, the total mortality showing an excess of 8·6 per cent. In 1926, 3,228 deaths from child birth were reported as compared with 2,790 in 1925 and 1,972 in 1924. The Director of Public Health remarks that " the registration of such deaths is gradually improving, though calculating on the number of such deaths reported from Calcutta, where registration is comparatively more perfect, the total number for the province should have been much higher."

In Calcutta the Lady Health Visitors and the midwives employed by the Corporation delivered 6,276 cases and removed 226 difficult cases of labour to hospitals. Excluding still-births, the rate of infantile mortality amongst cases attended by the Corporation midwives during the first ten days was only 25 per 1,000, while the general infantile rate during the first week was 116·1. There were only four maternal deaths among the women delivered by the Corporation staff. Similarly in the town of Dacca competent midwifery aid was rendered from two centres by the staff of the Maternity and Child Welfare Trust. The total maternal mortality among the centre cases was 10 *i.e.*, a little less than 1 per cent. as against 35 deaths among 2,607 non-centre cases, *i.e.*, 1·3 per cent. There were 38 deaths of infants within the first ten days of birth, among the 1,005 centre cases, *i.e.*, a maternal mortality rate of nearly 3·8 per cent. as against 217 deaths of infants within the first week of life among the 2,607 non-centre cases, *i.e.*, a mortality rate of nearly 8·3 per cent. These figures show what can be accomplished by proper care of mothers and infants.

In comparison with the preceding year, the still-births showed an increase of 3·0 per cent. During the year under review grants-in-aid for *dai*-training were made to various local bodies for starting 100 training classes, consisting of 10 *dais* each. A total number of 1,094 *dais* received training in 101 classes started by 32 local bodies and 3 health societies.

Cholera.—There were 59,106 deaths from cholera in 1926 against 34,276 in 1925, showing a death rate of 1·3 per cent. against ·7 per cent. in the previous year and a decrease of 7·1 per cent. compared with the decennial mean. The quantity of anti-cholera vaccine supplied in 1926 was nearly five times the quantity issued in the preceding year. As compared with only 16 districts in the previous year, inoculations were performed during the year under review in all the districts of the province, except Darjeeling, where the disease is rare. The number of inoculations performed relatively increased practically in all the districts in proportion to the incidence of cholera. It is satisfactory to note that the inoculation is steadily gaining in popularity and has been universally admitted to be the best preventive of this fell disease. Besides, its immediate effects have captured the imagination of the public in a wonderful manner.

Small-pox.—During the year under review the mortality from small-pox was 25,548 against 17,436 in the previous year, showing an increase of 25·0 per cent. The death-rate increased by 66·6 per cent. as compared with the previous decennium. The total number of vaccinations reported in 1926-27 was 3,278,581 as compared with 3,030,178 in 1925-26. Of the total operations 1,741,801 were recorded as primary and 1,536,780 re-vaccinations against 1,751,091 primary and 1,279,087 re-vaccinations during the year 1925-26. Thus primary vaccinations decreased by ·53 per cent. while re-vaccinations increased by 20·1 per cent. During the year 1926-27, out of 992,566 infants requiring vaccination 271,511 or 273·4 per mille were reported to have been successfully vaccinated in the rural areas, as compared with 313,286 or 269·5 per mille during the preceding year. In four districts, including Calcutta, the proportion protected was reported to have been over 500 per mille. In municipal areas 589·2 per mille of the surviving infants were protected in 1926-27 against 482·4 per mille during the previous year.

Fever.—In 1926 the mortality from fever was 822,774 against 874,228 in 1925, showing a ratio of 17·7 per mille against 18·8 in the previous year. As compared with the year 1925, the mortality decreased in 1926 by 5·8 per cent., while it was less than decennial mean by 19·2 per cent. The percentage of deaths from fever to total mortality was also less by 5·3 per cent. than that of 1925.

Kala-azar.—The number of reported deaths from kala-azar was 14,275 in 1926 against 16,766 in 1925, 9,997 in 1924 and 4,565 in 1923. The number of kala-azar cases treated at dispensaries and special centres was 164,896 in 1926 against 188,949 in 1925, 139,085 in 1924 and 57,238 in 1923. The decrease in the number of kala-azar cases treated in 1926 is mainly attributable to the fact that the prevalence and severity of the disease itself is diminishing.

Sanitary Engineering.—Twelve water-supply and drainage schemes were prepared and eight detailed projects of municipal water-supply and sewerage were drawn up by the Chief Engineer, Public Health Department, in 1926. Ten water-supply and drainage schemes were under consideration, three water-supply and sewerage schemes were in progress, five water-supply and sewerage schemes were partially completed and four water-supply and sewerage schemes were completed during the year under review.

Personal.—Mr. G. Bransby Williams went on leave preparatory to retirement soon after the end of the year under report, and was succeeded by Mr. F. C. Griffin. Appropriate reference to the value of Mr. Bransby Williams's service to Government and the public was made in last year's Resolution. Government (Ministry of Local Self-Government) are confident that under Mr. Griffin the high standard of efficiency attained by the Engineering Branch of the Public Health Department will be fully upheld.

Lieutenant-Colonel Stewart acted as Director of Public Health from 1st January to 24th March, 1926, when he went on leave after a highly satisfactory period of officiating service. Dr. R. B. Khambata succeeded him and continued to officiate till 1st November, 1926, showing marked keenness and ability in the discharge of his duties.

Dr. Bentley returned from leave at the beginning of November, 1926, and the present Ministry associates itself with the testimony to Dr. Bentley's abilities and zeal paid in last year's resolution. Government fully endorse the remarks of the Chief Engineer and the Director of Public Health on the work of the officers subordinate to them, and would again make special mention of the services of the Publicity Officer, Rai Sahib Kalipada Ray. Sufficient data for the " critical estimate " of the work of the health staffs employed by local authorities mentioned in last year's resolution are not yet forthcoming but it is hoped to make an estimate of this kind a feature of next year's resolution

W. D. R. PRENTICE,
Chief Secretary to the Government of Bengal.

NOTIFICATION.

No. 3099A.—The 22nd March 1928.—In exercise of the powers conferred by rule XII A of the Civil Services (Governors' Provinces) Classification Rules and rule 3 (*2*) (*a*) of the Civil Services (Governors' Provinces) Delegation Rules, 1926, made by the Secretary of State for India in Council under section 96 B (*2*) of the Government of India Act, the Local Government are pleased to make the following rules:—

PART I.

I. These rules may be called the Bengal Selection Board (Constitution and Functions) Rules, 1928.

II. (*i*) In these rules the expressions "provincial services," "subordinate services" and "special posts" shall have the meanings respectively assigned to them in the Civil Services (Governors' Provinces) Classification Rules.

(*ii*) Unless the context otherwise requires "Government" shall mean the local Government as defined in section 134 (*4*) of the Government of India Act.

III. (1) To advise Government upon the first appointment of officers to the provincial services there shall be constituted by Government a permanent Selection Board. This Board shall be called the Bengal Selection Board.

(2) Its primary function shall be to advise Government on any question connected with recruitment to the provincial services specified in Schedule I in the manner laid down in Part II of these Rules.

(3) In addition, the Board shall perform such functions with regard to any other services or special posts as may be delegated to it by general or special order of Government:

Provided that no such function shall be delegated to the Board unless the Board has been previously consulted, and, if the Board is opposed to the delegation, unless the matter has been referred to the Governor to be placed before his Executive Council or his Ministers, and an express order of Government has been made directing the delegation.

IV. (1) The Selection Board shall consist of not less than three and not more than five members who shall be appointed by Government in April each year for a period of one year.

(2) There shall be a President of the Board who shall be nominated by Government from among the members of the Board.

(3) The Secretary of the Board shall be appointed by Government and shall not himself be a member.

(4) No person who is not an official, as defined in section 134 of the Government of India Act, shall be eligible to be appointed a member of the Board.

PART II.

Functions of the Board in regard to recruitment to Provincial services.

V. In compliance with such general or special orders as may be made by Government in this behalf, consistently with these rules the Selection Board shall perform all or any of the following functions:—

(A) In connection with first appointment by promotion, it shall—

(*i*) receive nominations for promotion made by such authorities and through such channels as Government may prescribe;

(*ii*) consider the claims of candidates so nominated and interview such candidates as Government may direct or the Selection Board may consider it desirable to interview;

(*iii*) advise Government in respect of each candidate nominated whether his qualifications are sufficient and whether his past record proves him to be of the requisite character and ability for the service to which it is proposed to appoint him;

(*iv*) forward to Government in such form as Government may prescribe a list of candidates arranged in order of preference.

(B) In connection with first appointment by selection, it shall—

(*i*) advise Government in regard to the rules regulating the submission of applications;

(*ii*) receive applications forwarded through channels prescribed by Government for appointment to such vacancies as may have been announced in accordance with the Bengal Provincial Services Recruitment Rules;

(*iii*) consider all applications received and interview such candidates as Government may direct or as it may consider it desirable to interview;

(*iv*) submit to Government a list consisting of such number as Government may fix of the candidates whom it considers most suitable for appointment, in the order of preference:

Provided that Government shall, if they think fit, appoint an officer to represent the service or department for which recruitment is being made, who shall be present at and take part in the interview referred to in rule V (B) (*iii*).

(C) In connection with first appointment by competitive examination, it shall if so directed by Government—

(*i*) advise Government in regard to regulations prescribing the—

(*a*) qualifications of candidates,

(*b*) conditions of admission to the examination, and

(*c*) syllabus of the examination;

Provided that without the previous sanction of the Governor-General in Council no standards shall be prescribed for admission to any service which are lower than those regulating admission to that service on the 9th March 1926;

(*ii*) receive nominations of candidates made by authorities prescribed by Government in accordance with the Bengal Provincial Services Recruitment Rules;

(*iii*) determine the eligibility of candidates so nominated;

(*iv*) select from candidates so nominated who are eligible to appear at the examination such numbers as may be prescribed from time to time by Government;

(*v*) issue selection certificates to such candidates;

(*vi*) make all arrangements for the conduct of the examination and for the payment of fees to examiners;

(*vii*) arrange the candidates in order of merit on the results of examinations; and

(*viii*) forward to Government a list of candidates so arranged.

PART III.

Procedure.

VI. Every question at a meeting of the Selection Board shall be determined by a majority of the votes of the members present and voting on the question, and in case of an equal division of votes the President shall have a second or casting vote.

VII. If the President is unable to be present at a meeting of the Selection Board, he shall appoint one of the members to act for him, and the member so appointed shall have all the powers of the President at that meeting.

If the President fails for any reason to be present at a meeting, or to appoint one of the members to act for him at a meeting, the members present at the meeting shall elect one of themselves to be President and the member so elected shall have all the powers of the President at that meeting:

Provided that, unless the President otherwise directs, no action shall be taken upon any decision arrived at in a meeting at which he was not present, until he has been informed of such decision; and upon being so informed, he may direct that any such decision shall be reconsidered at a meeting at which he is present.

VIII. In the exercise of their functions the Selection Board are empowered to call from candidates for appointment for such proof or evidence as it considers necessary to establish their qualifications or eligibility and may require them to attend for *viva-voce* examination and make enquiries about their character.

IX. The proceedings of the Selection Board shall not be invalidated by any vacancy in the office of a member.

X. The quorum for a meeting of the Selection Board shall be 2 when the Board consists of 3 members, and 3 when it consists of 4 or 5, but the President may adjourn any business at a meeting if he is of opinion that it cannot conveniently be transacted owing to the non-attendance of any member.

XI. All decisions of the Selection Board shall be recorded by the Secretary, and it shall be open to any member who dissents from a decision to record his dissent and, if he thinks fit, his reasons for dissenting

XII. Whenever under these rules the Selection Board is required to give advice or to submit proposals to, or to be consulted by Government, the decision of the Board shall be communicated in a letter signed by the Secretary, and, in a case where the decision is not unanimous, neither the fact of, nor the ground for, dissent, shall be communicated unless the President so directs.

XIII. The Selection Board may refer any matter to an individual member or to a committee consisting of one or more members or to either of these together with such other persons, if any, as the Selection Board may appoint, for consideration and report to the Board.

XIV. (*i*) In matters for which no provision is made by these rules, the Board may regulate its proceedings in such manner as it thinks fit.

(*ii*) When any matter under consideration of the Board specially concerns any particular department of Government, the Board may, and if the Local Government in any case so directs shall, consider the advice of not more than two persons deputed by Government to represent the department concerned.

[Third publication.]

No. 1 I.—*The 5th March 1928.*—The following draft of revised rules and rates of tolls for the line of navigation known as the Madaripur Bhil Channel and the Lower Kumar River as defined in Notification No. 128, dated the 26th June, 1900, and Notification No. 162, dated 22nd July, 1902, paragraphs 17 and 18, which in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor in Council intends to make in supersession of all previous notifications on the subject, is hereby published for the information of persons likely to be affected thereby.

The draft will be taken into consideration on or after the 26th April, 1928, and any objections or suggestions received by the undersigned before that date will be considered.

W. H. NELSON,
Secretary to the Government of Bengal (Offg.).

Draft Rules.

1. Every vessel passing through the line of navigation known as the Madaripur Bhil Channel shall stop at the prescribed toll stations notified in the Schedule attached for the purpose of assessment, or check, of toll charges.

2. For the purposes of these rules, vessels other than rafts, timbers, bamboos or other floating material shall be divided into two classes as below:—

Class I—To include all vessels of the usual native types of build.

Class II—To include all steamers, flats and barges, and such other square built boats as should, in the opinion of the Collector of Tolls, be included.

3. The net tonnage of every vessel of Class I, whether laden or empty, shall, for the purposes of these rules, be determined by the following measurements:—

(A) The product of one-quarter the length of the vessel from stem to stern, measured along the water-line, multiplied by the interior greatest breadth of the vessel, multiplied by the interior greatest depth from the water-line to the bottom of the vessel, is to be taken as equal to the number of maunds upon which toll shall be levied.

(B) The measurement of the length is to be made in feet, rejecting inches; the measurement of the breadth and depth is to be made in feet and quarters of a foot, rejecting portions of less than a quarter of a foot.

(C) The maundage on which tollage shall be charged shall be a simple multiple of 12½ maunds, rejecting any remainder by which the maundage, calculated as above, may exceed such simple multiple.

4. For vessels in Class II the tonnage shall be determined as follows:—

The tonnage of steamers shall be the registered tonnage as given in the certificate of the survey of the steamer.

Toll shall be levied on the actual weight of cargo on steamers, flats, barges and other vessels included in this class, as declared in the manifests.

When the registered tonnage of a steamer or the manifest for cargo of a flat is not available, the tonnage will be taken as arrived at under rule 3.

For square built boats the total maundage, as determined under rules for Class I, shall be increased by half, and for steamers one-third of the total maundage shall be deducted for engine space.

5. Every vessel except as exempted under rule 10 shall be furnished at the toll station of entry with a ticket on which the name of the serang, manjhi or other person in charge of the vessel, the date of entry, the maundage of the vessel, the nature and weight of the cargo it contains, the amount of toll charged and the number of days for which the ticket will remain current, shall be entered.

6. This ticket may be demanded and checked by any Navigation Officer while the vessel is within the toll-limits of the Bhil Channel and must be kept on board and at hand for that purpose. The ticket must be given up at the exit toll station. If the ticket is not produced on demand by a Canal Officer, such officer shall assess the amount of toll payable and the vessel will be liable to seizure and detention under the provisions of section 9 of the Act until such sum is realised.

7. Vessels leaving the channel between two toll stations shall obtain a permit for so doing in Form No. 1 from the Toll Collector of the toll station of entry. In such cases the Toll Collector will issue a ticket in the usual form and also collect the same before the vessel is permitted to proceed.

8. A vessel, which has been detained under these rules or under section 9 of the Act, may not be removed from the channel without the order of the Collector of Tolls until the toll due has been paid. During such detention the manjhi, owner or agent must make arrangements for the safety of the vessel and cargo.

9. All tolls are payable on demand and shall be paid at the toll station before a vessel is permitted to proceed. Provided that the Collector of Tolls appointed under section 8 of the Act may, at his discretion, permit vessels belonging to individuals or firms of recognised standing to proceed without prepayment, on an undertaking that the bills for tollage due shall be liquidated monthly on presentation.

10. (*i*) In the case of steamers and flats falling under the latter portion of rule 9 a copy of the traffic manifest must be handed in at the exit toll station, a receipt for which in Form No. 2 will be issued by the Toll Collector to the person in charge of the vessel; in such cases no ticket in the usual form will be issued. If the traffic manifest is not produced at the exit toll station the procedure as laid down in rules 6 and 8 will be adopted.

(*ii*) The traffic manifest or the receipt for the same may be demanded by any Navigation Officer while the vessel is within the limits of the Bhil Channels between the Manickdah entrance and Charmaguria.

11. The term "Navigation Officer" as used in rule 6 shall include the Collector of Tolls appointed under section 8 of the Act, and the officer, or the subordinate duly authorised by such officer of the Irrigation Department in charge of the subdivision or section within which the channel is situated.

12. Duplicates of lost tickets will be granted by the Toll Collector who originally issued the tickets on payment of a fee of one-fourth of the amount of toll payable, subject to a maximum of one rupee and eight annas and a minimum of eight annas. The duplicate will be issued only when the Toll Collector is satisfied concerning the identity of the boat.

13. No person shall wilfully or negligently allow a vessel to sink in the channel.

14. (*i*) In every case of a sunken vessel, whether due to negligence or otherwise, the Supervisor and his subordinates shall offer every assistance in removing the same.

(*ii*) If, three days after the occurrence of a wreck, it is seen that prompt measures are not being taken by the owner to remove the sunken vessel from the line of navigation, the Supervisor and his subordinates shall make their own arrangements for the removal of the same at the expense of the owner, provided that when the wreck obstructs the fairway they shall take action at once to remove the same.

15. When a sunken vessel has been recovered, the Supervisor shall cause notices to be posted at the toll offices, or other prominent places, calling on those concerned to pay the Collector of Tolls all toll or demurrage which may be due, as well as the expenses incurred in the recovery of the vessel and cargo. Should the sum due be not paid within fifteen days of the date of notice, the boat and its furniture, or so much of it as may be necessary for the recovery of the dues, will be sold under the procedure directed in section 9 of the Act.

16. The purchaser of a vessel sold under the provisions of section 9 of the Act shall have the right to take it out of the channel on the day of purchase, or within such time as may be allowed by the Collector of Tolls, without payment of tolls.

17. When any laden vessel, which has sunk, has been recovered, or when any laden vessel has been seized under the provisions of the Act or of these rules, the Supervisor shall give immediate notice of the recovery or seizure to the owner of the cargo or his agent, requiring the removal of the cargo without delay, and informing him that he will be required to pay all expenses necessary for the proper custody and storage of the cargo until removed.

18. If the Supervisor be unable to ascertain the name and place of business or the abode of the owner of the cargo of such vessel, the notice prescribed in rule 16, shall be effected by a notice exhibited in his office, and by advertisement in at least one English and one vernacular Calcutta and local newspaper.

19. *Lights and signals.*—All vessels, whether travelling or moored in the channel, between sunset and sunrise, must carry a white light in a lantern on the fore-part of the vessel where it can be distinctly seen from all sides. All steam-vessels in motion shall carry the lights prescribed by the Board of Trade Regulations. Barges or boats attached to a steam-vessel, whether in motion or moored, shall carry the light prescribed in the first paragraph of this rule. This rule does not apply to small uncovered dinghis not exceeding 10 cubits in length while moored along the bank.

20. Every vessel proceeding in the Madaripur Bhil Route and Lower Kumar river should limit her speed as follows:—

	Miles an hour.
From Haridaspore to Takerhat	8
From Takerhat to Char Muguria	6
While passing a dredger in the above channels ...	4

They should, however, limit their speed to 5 miles an hour in any reach as determined by the Supervisor and marked by white discs.

21. At places where mooring posts have been provided by the Supervisor, vessels desiring to moor shall be made fast in a single line along the banks to such posts in such manner as the Supervisor may direct and shall not be moored in any other manner.

22. The Superintending Engineer, Southern Circle, may fix the limit within which vessels are permitted to remain free of toll and may also define the limits within which no loading or unloading shall be permitted.

23. No vessel or raft shall be placed in such a position as to endanger the safety or obstruct the passage of other vessels.

24. When a red cone is hoisted at Haridaspore, upward bound vessels must stop and make fast in the entrance channel. When a white ball is exhibited, vessels may proceed.

25. When a red cone is hoisted at Tentulia, downward bound vessels must stop above the toll station until a white ball is exhibited, when they may proceed.

26. Downward bound vessels must stop in the Urialkhan river when a red cone is hoisted at the mast below the entrance to the Kumar river. When a white ball is hoisted they may proceed.

27. Upward bound vessels must stop, and make fast and single out flats when a red cone is exhibited opposite Messrs R. Sim's premises. When a white ball is raised, they may proceed.

28. At night a red light will take the place of a red cone, and two white lights one above the other will take the place of the white ball.

29. On *hât* days all vessels must slow down when passing Bherarhat, Satpur, Jalirpar, Takerhat, Rajore and Charmuguria.

30. No country boat shall anchor, be moored or remain stationary in the Bhil Channel at Boltali, Jalirpar or Tentulia except within the boat docks which have been specially provided for this purpose at these places.

31. Between the Madhumati entrance at Manickdah and Fatteypur all boats except when crossing the channel shall travel along the right-hand side of the channel, *i.e.*, boats going westwards will keep to the northern side and those going eastwards to the southern side.

32. No log rafts will be allowed in the above channels except with special permission of the Supervisor.

33. No log shall be kept half in and half out of water, *i.e.*, all logs shall be drawn up on the bank well above the level of the water in the channel.

34. For any infringement of the rules, 6, 7, 8, 9, 10, 13, 14, 15, 17, 19, 20, 21, 23, 24, 25, 26, 27, 29, 30, 31, 32 and 33 the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 or Rs. 5 a day for any continuing infringement.

Special Rules.

1. No country boat shall anchor or remain stationary except alongside the bank of the river or within the area between the south bank and the marks placed to mark the fairway.

2. No log rafts or boats with timbers lashed alongside shall be allowed inside the Lower Kumar river without special permission of the Supervisor.

3. Boats, except the municipal ferry boats, shall not be moored along the north bank except for the purpose of loading or unloading cargo, and then only in a single line and they should be parallel to the bank.

4. No flat shall be moored in the channel except during actual loading or unloading cargo and then as close to the bank as possible.

5. Mooring of boats along any reach of the canal can be prohibited by special orders of the Superintending Engineer, for a definite time, the reach being marked by sign boards at either end on which the prohibition will be written.

6. Vessels passing through the river shall keep in separate lines in accordance with the rules in force as laid down by the Superintending Engineer, Southern Circle, from time to time.

7. No person shall deposit goods of any description on the slopes of the river between the water-line and the high bank except during the actual process of loading or unloading vessels, without the previous permission of the Supervisor.

8. In the Lower Kumar river between Fatteypur and Charmuguria steam-propelled vessels proceeding against the current should give way to those proceeding with the current.

9. The Executive Engineer will have powers to decide, in consultation with the Steamer Companies concerned, the dates each year within which only one flat towage will be permitted in the Lower Kumar river.

10. For any infringement of the rules 1 to 8 the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 or Rs. 5 a day for any continuing infringement.

13. Excess tolls—if a vessel's tonnage is found to be greater than at entry due either to loading fresh cargo in the route, or from any other cause, the difference of toll at the hightest rate will be leviable at the exit station.

14. *Demurrage.*—Vessels will be allowed three days for the passage through the route, with an additional day for each 50 maunds of tonnage. Demurrage at the rate of one-fourth of original amount of toll per diem will be levied on vessels remaining in the channel in excess of the above period.

15. *Monthly tickets.*—Monthly tickets at eight times the ordinary toll will be issued to boats of 100 maunds and under. Such boats should be branded with a number at the toll offices at a charge of eight annas each before a monthly ticket is issued to it.

Tolls are to be levied at Tentulia in the third mile from the Madhumati river and at Jalirpar in the 18th Mile from the Madhumati river.

NOTE.—In the case of items 2, 4 and 6 of the above schedule the maundage to be charged will be that shown by the manifests of cargo. In the absence of any such manifest and in the case of item 7, the maundage will be twice that determined by measurements in accordance with the rules in force for this line of navigation.

All vessels are liable for toll except those exempted by the provisions of the Bengal Government Circular Order No. 1-I., dated the 11th July, 1906.

NOTIFICATION.

Post-Graduate Research Scholarships to be awarded in 1928.

Three Post-Graduate scholarships will be awarded for the encouragement of original research to candidates who have high and special qualifications and appear to be likely to conduct original research with success. The value of each scholarship is Rs. 100 a month and each is tenable for a maximum period of three years.

2. Ordinarily one scholarship will be awarded annually to a student who proposes to carry on original research in scientific subjects, including such branches as natural and physical science, chemistry, mathematical science, etc., and another scholarship will similarly be awarded for research in literary subjects, including such branches as languages, comparative philology, palæography, epigraphy, philosophy, history, archæology, anthropology, etc., and the third scholarship will be awarded for research either in scientific or in literary subjects. No application for a research scholarship will be considered unless a candidate submits certificates showing that he has the capacity for undertaking the research proposed and a programme of work indicating a definite course of enquiry.

3. Election will be made in the first instance for one year only, with effect from the 1st July 1928, but a scholarship may be renewed from year to year, up to the limit of three years, provided the scholar has throughout the year vigorously prosecuted original research in the subject selected by him.

4. Each candidate for a scholarship should submit his application, through the head of the institution in which he last studied, to the Director of Public Instruction, Bengal, on or before the 10th May next, and must produce evidence of having passed from a college or other institution in Bengal the M.A. or M.Sc. examination of the Calcutta or Dacca University, or of having obtained some other equivalent or higher degree of either of these Universities in 1925 or 1926 or 1927. He must state as definitely as possible the subject or part of a subject in which he intends, if elected to a scholarship, to carry on his original investigation. He must also state the name of the institution in which he proposes to work, with evidence that the authorities of the institution are able and willing to provide facilities for him, or if no institution is mentioned, the circumstances or conditions under which he proposes to work should be stated.

5. Each candidate is required to submit with his application a declaration to the effect that, if selected, he will not study law or prepare himself for any competitive examination during the tenure of his scholarship.

6. Applications for this year's scholarships should be submitted in prescribed forms which are obtainable from the Personal Assistant to the Director of Public Instruction, Writers' Buildings, Calcutta.

(*d*) Passed compounders who have completed a further three months' course of dressing prescribed in rule 13, and students of the licentiate class of this school, on the completion of their second year's course, will be allowed to appear at an examination in bandaging, sterilization of dressings and instruments, and in minor duties of hospital work. A fee of Rs. 2 shall be charged for this examination.

This examination is also open to persons qualified for admission to the examination prescribed under the rules for the grant of certificates to compounders, on production of a certificate that they have received instruction in a hospital or dispensary recognised by Government in bandaging, preparation of antiseptic lotions, and dressings, sterilization of dressings and instruments and in the duties of hospital dresser. Such persons shall be required to pay a fee of Rs. 2 for this examination.

C. R. O'BRIEN, LT.-COL., I.M.S.,
Superintendent, Medical School, Dacca.

DACCA, *the 12th March 1928.*

NOTICE.

It is hereby notified for general information that the next examination for admission of students to the compounders' class, Medical School, Dacca, will be held on the 30th April 1928 at 9-30 A.M.

Candidates desirous to sit at this examination shall send their applications with a fee of Rs. 2 to the Deputy Superintendent, Dacca Medical School, on or before 25th April 1928.

N.B.—Owing to the large number of matriculates, the vacancies for non-matriculate students are very limited.

C. R. O'BRIEN, LT.-COL., I.M.S.,
Superintendent, Dacca Medical School.

DACCA, *the 12th March 1928.*

GOVERNMENT OF BENGAL.

DEPARTMENT OF INDUSTRIES.

Minister-in-charge : The Hon'ble Sir P. C. Mitter, Kt., C.I.E.

1. The following particulars regarding the Indian School of Mines, Dhanbad, are published for general information.

2. The school provides high grade instruction in Mining Engineering and in Geology.

3. The school is situated at Dhanbad in the province of Bihar and Orissa on the East Indian Railway.

4. The third session commences on the 1st November 1928.

5. Application forms for admission may be obtained from the Principal, Indian School of Mines, Dhanbad.

6. Applications must be submitted on the prescribed form so as to reach the Principal, complete in all respects, not later than the 15th July.

7. Entrance Examination will be held in August at various centres convenient to applicants. The minimum qualification is a pass in the I. Sc. Examination or its equivalent.

8. Full particulars of the qualifications, etc., are given in the prospectus of the school which is stocked for sale in the office of the Principal, Indian School of Mines, or the Manager, Central Publication Branch, Government of India, 8, Hastings Street, Calcutta.

9. Three scholarships of the monthly value of Rs. 70, Rs. 40 and Rs. 40 are awarded by the Government of India each year, on the results of the Entrance Examination.

10. The Government of Bengal will award four scholarships of Rs. 50 each per mensem, tenable for nine working months in the year for three years. Two of these scholarships will be reserved for qualified Muhammadan candidates. In case Muhammadan candidates are not available, the scholarships will be given to non-Muhammadans. The scholarships will be awarded on the results of the Entrance Examination. One of these will be reserved for a student who has completed the three years' evening mining course at any of the lecture centres in the Bengal coal-fields, should such a candidate be available and eligible in other respects.

11. Scholars will be required to enter into an agreement to serve the Government of Bengal on completion of their studies, should that Government desire to employ them.

12. For further particulars apply to Dr. Penman, Principal, Indian School of Mines, Dhanbad.

A. T. WESTON, M.Sc., M.Inst.C.E., M.I.E.,
Director of Industries, Bengal (offg.).

PART VI.

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Council of State on the 1st February, 1928 :—

COUNCIL OF STATE BILL NO. 1 OF 1928.

A Bill further to amend the Indian Territorial Force Act, 1920, for certain purposes.

WHEREAS it is expedient further to amend the Indian Territorial Force Act, 1920, for the purposes hereinafter appearing ; it is hereby enacted as follows :— XLVIII of 1920

Short title and commencement

1. (*1*) This Act may be called the Indian Territorial Force (Amendment) Act, 1928.

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Amendment of section 2, Act XLVIII of 1920.

2. In section 2 of the Indian Territorial Force Act, 1920 (hereinafter referred to as the said Act), XLVIII of 1920.

(*a*) the definition of "Advisory Committee" shall be omitted ;

(*b*) between the definitions of "European British subject" and "prescribed" the following definitions shall be inserted namely :—

" 'non-commissioned officer' means a person holding non-commissioned rank in the Indian Territorial Force, and includes an acting non-commissioned officer ;

'officer' means a senior officer or a junior officer ;" and

(*c*) the definition of "University Corps" shall be omitted.

Amendment of section 4, Act XLVIII of 1920

3. In section 4 of the said Act,—

(*a*) after the word "more," the word "provincial" shall be inserted ;

(*b*) after the word "disband" the words " or re-constitute " shall be inserted ; and

(*c*) section 4, as so amended, shall be renumbered as sub-section (*1*), and the following sub-sections shall be added, namely :—

"(*2*) The Governor General in Council may constitute for any town or group of towns in a Province one or more urban corps or units of the Indian Territorial Force, to be recruited from persons residing in or near such town or towns, and may disband or reconstitute any corps or unit so constituted.

(*3*) The Governor General in Council may constitute for any Province a University Corps consisting of one or more units of the Territorial Force, for the appointment thereto of students of, and other persons connected with, a University established by law in British India, or colleges affiliated to such a University, and may disband or reconstitute any unit so constituted."

Insertion of new section 4A in Act XLVIII of 1920

4. After section 4 of the said Act, the following section shall be inserted, namely :—

Classes of officers

"4A. (*1*) There shall be the following classes of officers in the Indian Territorial Force, namely :—

(*a*) senior officers, holding commissions granted by the Governor General in the name of His Majesty, with British designation of rank, and

(*b*) junior officers, holding commissions granted by the Governor General, with Indian designation of rank.

(*2*) An officer shall be deemed to be enrolled in the Indian Territorial Force for so long as he holds a commission in that Force."

Amendment of section 5, Act XLVIII of 1920

5. In sub-section (*1*) of section 5 of the said Act,—

(*a*) the words and brackets "(not being a European British subject)" shall be omitted ; and

(*b*) the following proviso shall be added, namely :—

"Provided that no European British subject shall be enrolled in any corps or unit of the Indian Territorial Force other than a University Corps.'

Amendment of sections 5, 6 and 7, Act XLVIII of 1920

6. (*1*) In sub-section (*2*) of section 5, in sub-section (*1*) of section 6, and in sub-section (*2*) of section 7 of the said Act, after the word "Province", the words "or town or group of towns" shall be inserted.

(*2*) in sub-section (*2*) of section 7 of the said Act, the words "or of a person enrolled in an urban corps or unit to a provincial corps or unit" shall be added at the end.

Insertion of new section 7A in Act XLVIII of 1920

7. After section 7 of the said Act, the following section shall be inserted, namely :—

Change of residence

"7A. (*1*) Any enrolled person who leaves his place of residence for the time being and thereby leaves the Province in which the corps or unit in which he is serving is constituted shall, if he does not intend to return to that Province, notify the prescribed authority in that Province of his change of residence.

(*2*) If such person having intended to return does not return within three months, he shall notify the prescribed authority as aforesaid immediately on the expiry of that period.

(3) The prescribed authority on being notified of a change of residence under sub-section (1) or sub-section (2) may, subject to the provisions of section 7, transfer such person from the corps or unit in which he is serving to another corps or unit."

Amendment of section 9, Act XLVIII of 1920.

8. In sub-section (2) of section 9 of the said Act, the following proviso shall be added, namely :—

"Provided that nothing in this sub-section shall apply to persons enrolled in a University Corps."

Amendment of section 10, Act XLVIII of 1920.

9. In sub-section (1) of section 10 of the said Act, the following words shall be added at the end, namely :—

"and no person for the time being serving in an urban corps or unit shall at any time be required to perform military service beyond the limits of the Province in which the corps or unit in which he is serving is located, save when it is, in the opinion of the senior military officer present, necessary to proceed beyond those limits in the course of the military operations upon which the corps or unit or any portion thereof is for the time being engaged."

Substitution of new section for section 11, Act XLVIII of 1920.

10. For section 11 of the said Act, the following section shall be substituted, namely :—

Application of the Army Act and of the Indian Army Act, 1911.

"11. (1) Every senior officer of the Indian Territorial Force when doing duty as such officer, shall be subject to the Army Act, and any orders or regulations made thereunder, whereupon the said Act, orders and regulations shall apply to him as if he held the same rank in His Majesty's Army as he holds for the time being in the said Force, subject to the terms of his commission and the orders of His Majesty. 44 and 45 Vict., C. 58.

(2) Every junior officer of the Indian Territorial Force, when doing duty as such officer, shall be subject to the Indian Army Act, 1911, and the rules and regulations made thereunder, whereupon the said Act, rules and regulations shall apply to him as if he held the same rank in His Majesty's Indian Forces as he holds for the time being in the said Force, subject to the terms of his commission and the orders of the Governor General. VIII of 1911

(3) Every non-commissioned officer and man of the Indian Territorial Force,—

(a) when called out or embodied for military service under section 9,

(b) when attached to, or otherwise acting as part of, or with, any regular force, or

(c) when embodied for, or otherwise undergoing, military training in the prescribed manner,

shall be subject to the Indian Army Act, 1911, and the rules and regulations made thereunder, whereupon the said Act, rules and regulations shall apply to him as it he held the same rank in His Majesty's Indian Forces as he holds for the time being in the said Force, subject to the orders of the Governor General : VIII of 1911

Provided that the said Act, rules and regulations shall, in their application to such non-commissioned officers and men when embodied for or otherwise undergoing military training, be modified to such extent and in such manner as may be prescribed :

Provided further that non-commissioned officers and men of an urban corps or unit, when undergoing military training without having been embodied for that purpose, and non-commissioned officers and men of a University Corps when undergoing training, shall, in respect of such training, be subject only to such disciplinary and other rules as may be prescribed.

(*4*) Where an offence punishable under the Indian Army Act, 1911, or, as the case may be, under that Act as modified under sub-section (*3*), has been committed by any person whilst subject to that Act under the provisions of this section, such person may be taken into and kept in military custody and tried and punished for such offence although he has ceased to be so subject as aforesaid, in like manner as he might have been taken into and kept in military custody, tried or punished, if he had continued to be so subject : VIII of 1911

Provided that no such person shall be kept in military custody after he has ceased to belong to the Indian Territorial Force, unless he has been taken into or kept in military custody on account of the offence before the date on which he ceased so to belong ; nor shall he be kept in military custody or be tried or punished for the offence after the expiry of two months from that date, unless his trial has already commenced before such expiry."

Insertion of new sections 11A and 11B in Act XLVIII of 1920.

11. After section 11 of the said Act, the following sections shall be inserted, namely :—

Summary trial and punishments.

"11A. In addition to, or in substitution for, any punishment or punishments to which he may be liable under the Indian Army Act, 1911, a junior officer, non-commissioned officer or man of the Indian Territorial Force not being a member of a University Corps, may be punished, either by a Criminal Court or summarily by order of the prescribed authority, for any offence under that Act, or for the contravention of any rule or regulation under this Act, with fine which may extend to fifty rupees, to be recovered in such manner and by such authority as may be prescribed :— VIII of 1911.

Provided that no fine shall be summarily inflicted by order of the prescribed authority in any case in which the accused claims to be tried by a Criminal Court :

Provided further that no Court inferior to that of a Presidency Magistrate or a Magistrate of the first class shall try any offence made punishable by or under this Act.

Presumption as to certain documents

11B. Where a junior officer, non-commissioned officer or man of the Indian Territorial Force is required, by or in pursuance of any rule, regulation or order made under this Act, to attend at any place, a certificate purporting to be signed by the prescribed officer, stating that the person so required to attend failed to do so in accordance with such requirement, shall, without proof of the signature or appointment of such officer, be evidence of the matters stated therein."

Substitution of new section for section 12, Act XLVIII of 1920.

12. For section 12 of the said Act, the following section shall be substituted, namely :—

Advisory Committees.

"12. (*1*) The Local Government of each Province in which any unit or units of the Indian Territorial Force has or have been constituted shall constitute a Provincial Advisory Committee for all such units, and a Unit Advisory Committee for each of such units.

(*2*) The constitution, powers and procedure of the Advisory Committees shall be such as may be prescribed."

Amendment of section 13, Act XLVIII of 1920.

13. In clause (*b*) of sub-section (*2*) of section 13 of the said Act, after the word and figure "section 7" the words figure and, letter "or section 7A" shall be added.

STATEMENT OF OBJECTS AND REASONS.

This Bill is intended to give effect to the recommendations of the Auxiliary and Territorial Force Committee in so far as they involve amendments of the existing Indian Territorial Force Act, 1920. The report of that Committee recommends the formation of two different kinds of units in the Indian Territorial Force (apart from University Training Corps), namely :—

(*a*) the provincial unit, which will be recruited from all classes of men in a province, will have a comparatively extended annual period of training, will be recognised as the main part of a second line of the regular Indian Army, and will be liable for military service both within and without the borders of India ; and

(*b*) the urban unit, which will be recruited from the educated classes of the large towns, will have conditions of training similar to those of the Auxiliary Force, will also be regarded as part of the second line to the regular Indian Army, and will have the same liability for military service as the provincial units.

The Bill embodies and carries out these recommendations, with one exception, namely, that it is proposed that the liability for military service of the urban units should be confined to the province for which they are constituted. It also embodies the recommendation that officers in the Indian Territorial Force should be classified into those of "British rank" and those of "Indian rank", as in the Indian Army.

As suggested by the Committee, the provisions of the Auxiliary Force Act, and those of the Indian Territorial Force Act relating to urban units, are being assimilated, as far as is practicable and without unnecessary changes of mere drafting.

NOTES ON CLAUSES.

Clause 2.—The definition of "University Corps" has been transferred in substance from section 2 to section 4. (*See* clause 3.)

Clause 3.—This clause provides separately for the constitution of each of the three proposed branches of the Indian Territorial Force, namely, provincial units, urban units, and University Training Corps.

Clause 4.—The junior officers mentioned in this clause will correspond to the present ranks of Indian Officers in the regular Indian Army, namely, Subadars, Jemadars, etc. The senior officers will correspond to the British Officers of the Indian Army, namely, Lieutenants, Captains, etc.

Clause 5.—The amendment which permits any member of a University or College, who is a British subject, to be enrolled in the University Training Corps follows the specific recommendation of the Committee to that effect.

Clause 7.—This is adapted from section 16 of the Auxiliary Force Act, and is intended not merely to assimilate the two Acts, but also to secure that the units of the Indian Territorial Force shall be up to their recorded strength in time of disturbance.

Clause 9.—The object of this addition to section 10 is to secure that a military movement actually in progress shall not be interfered with by reason of a cessation of the liability of the men occurring at the border of a province.

Clause 10.—This important clause provides for the discipline to which the officers and men of the Indian Territorial Force shall be subject in the performance of their duties at various times. The general scheme is that senior officers shall at all times be subject to the Army Act (44 & 45 Vict., c. 58) while performing their duties as officers, that the junior officers shall similarly be subject to the Indian Army Act, 1911 (VIII of 1911), and that non-commissioned officers and men shall be subject to the Indian Army Act, 1911, when mobilised or attached to the regular troops, but shall be subject to less stringent discipline while undergoing training only. The discipline of the Indian Territorial Force, when mobilised, will in all respects be the same as that of the Indian Army.

In sub-sections (*1*) and (*2*) of the proposed section 11, the phrase "subject to the terms of his commission and the orders of His Majesty", and in sub-section (*3*) the phrase "subject to the orders of the Governor General" allow provision to be made for the numerous points of detail which may arise in the relations between officers and non-commissioned officers of the Indian Territorial Force and officers and non commissioned officers of the regular army when acting together.

Clause 11.—This clause is intended to avoid the necessity for a court-martial for the trial of a petty transgression, and it gives the accused an option of being tried by the prescribed authority (usually his own Commanding Officer) or a Criminal Court not below the rank of a first class Magistrate.

Clause 12.—This important clause outlines a scheme of Advisory Committees whereunder there will be a Provincial Advisory Committee for all the units in each province, and an Unit Advisory Committee for each unit of the Territorial Force within that province. The policy underlying the section is that the powers and duties of Advisory Committees should be expanded as these Committees gain experience and confidence, and as the ways in which they can be usefully employed become known.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Council of State on the 1st February 1928 :—

COUNCIL OF STATE BILL No. 2 OF 1928.

A Bill further to amend the Auxiliary Force Act, 1920, for certain purposes.

WHEREAS it is expedient further to amend the Auxiliary Force Act, 1920, for the purposes hereinafter appearing ; It is hereby enacted as follows :— XLIX of 1920

Short title and commencement.

1. (*1*) This Act may be called the Auxiliary Force (Amendment) Act, 1928.

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Amendment of section 4, Act XLIX of 1920.

2. In section 4 of the Auxiliary Force Act, 1920 (hereinafter referred to as the said Act), clause (*b*) shall be omitted. XLIX of 1920.

Amendment of section 17, Act XLIX of 1920.

3. In section 17 of the said Act,—

(*a*) in sub-section (*2*) for the word 'may" the word "shall" shall be substituted ; and

(*b*) the following sub-section shall be added, namely :—

'(*3*) Any enrolled person may be discharged by such authority, and subject to such conditions, as may be prescribed.

(*4*) Notwithstanding anything contained in sub-section (*2*) or sub-section (*3*), no enrolled person, who is for the time being engaged in military service under the provisions of this Act, shall be entitled to receive his discharge before the termination of such service."

Amendment of section 21, Act XLIX of 1920.

4. In sub-section (*1*) of section 21 of the said Act, the words "subject, in the case of an officer, to the terms of his commission and the orders of His Majesty, and, in the case of a non-commissioned officer or man, to the orders of the Governor General" shall be added at the end.

Insertion of new section 27A in Act XLIX of 1920

5. After section 27 of the said Act, the following section shall be inserted, namely :—

Presumption as to certain documents.

"27A. Where any non-commissioned officer or man of the Auxiliary Force is required, by or in pursuance of any rule, regulation or order made under this Act, to attend at any place, a certificate purporting to be signed by the prescribed officer stating that the person so required to attend failed to do so in accordance with such requirement, shall, without proof of the signature or appointment of such officer, be evidence of the matters stated therein."

STATEMENT OF OBJECTS AND REASONS.

This Bill is intended to give effect to the recommendations of the Auxiliary and Territorial Forces Committee, 1925, in so far as they require legislation and affect the Auxiliary Force, with the exception of the recommendation that the Auxiliary Force should be liable for general military service within and without the borders of India.

The amendments for the most part are designed to assimilate, as far as practicable, the substance of the Auxiliary Force Act to the provisions of the Indian Territorial Force Act as proposed to be amended, in so far as the latter relates to urban units of the Indian Territorial Force.

NOTES ON CLAUSES.

Clause 2.—The omission of clause (*b*) of section 4 is designed to secure that in future persons eligible for enrolment under the Indian Territorial Force Act shall enrol under that Act, and not under the Auxiliary Force Act. The operation of section 6, clause (*c*), of the General Clauses Act, 1897, will preserve the rights and liabilities of existing members of the Auxiliary Force.

Clause 3.—These provisions are reproduced from corresponding provisions in the Indian Territorial Force Act and fill in a blank in the existing Act.

Clause 4.—This amendment allows for provision to be made regulating the relations between officers and non-commissioned officers of the Auxiliary Force and officers and non-commissioned officers of the Regular Army when they are acting together.

Clause 5.—This is reproduced from the Indian Territorial Force (Amendment) Bill and is intended to avoid unnecessary delays in trials and to save waste of time and money.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 9th February, 1928 :—

LEGISLATIVE ASSEMBLY BILL NO. 3 OF 1928.

A Bill further to amend the Special Marriage Act, 1872.

WHEREAS it is expedient further to amend the Special Marriage Act, 1872 ; It is hereby enacted as follows :— III of 1872.

Short title

1. This Act may be called the Special Marriage (Amendment) Act, 192 .

Amendment of preamble to Act III of 1872

2. In the preamble to the Special Marriage Act, 1872 (hereinafter referred to as the said Act), III of 1872

(*i*) after the words "a form of" the word "civil" shall be inserted ;

(*ii*) after the words "for persons" the words "domiciled in British India" shall be inserted ; and

(*iii*) the words "who do not profess the Christian, Jewish, Hindu, Muhammadan, Parsi, Buddhist, Sikh or Jaina religion" shall be omitted.

Amendment of section 2, Act III of 1872

3. In section 2 of the said Act,—

(*i*) the words "neither of whom professes the Christian or the Jewish, or the Hindu or the Muhammadan, or the Parsi or the Buddhist, or the Sikh or the Jaina religion" shall be omitted ; and

(*ii*) after the words "between persons" the words "domiciled in British India" shall be inserted.

Amendment of clause 2, Second Schedule to Act III of 1872.

4. In the Second Schedule to the said Act, for clause 2 in the Declarations to be made by the bridegroom and the bride, respectively, the following shall be substituted, namely :—"I am domiciled in British India."

STATEMENT OF OBJECTS AND REASONS.

The laws of all civilised countries provide for the contract of civil marriage by persons who may so desire. The disability to contract such marriages in India is merely territorial and there is no reason why a similar law should not be enacted for this country. The enactment, if passed, would be merely optional and leaves intact the existing personal laws which control the performance of marriages.

The reasons which have induced us to draft this Bill are as follows :—

Sir Henry Maine as Law Member of the Governor General's Council had introduced a Civil Marriage Bill ; but, as the Government were then immediately concerned with an enactment to prescribe a civil form of marriage applicable only to Brahmos by whom they were moved for the enactment of a secular law to enable them to contract marriages, its provisions were so limited in the Bill which become Act III of 1872.

In 1909, the late Mr. Bhupendra Nath Basu and later on one of us had also introduced a similar Bill, but its provisions were eventually transformed into those of Act XXX of 1923.

The Baroda State have recently introduced a Civil Marriage Bill ; while the Laws of other Indian States are understood to provide for the performance of such marriages. The advantages of the measure, if enacted, are obvious. The Bill would enable persons subject to polygamous marriage laws to contract monogamous marriages and remove the inequality in the matter of divorce. It would elevate the status of women. These benefits have already been assured to the Hindus, Buddhists, Sikhs and Jains by Act XXX of 1923, and there is no reason why the benefit that that Act confers upon the communities named should not be extended to other communities who might as regards succession be equally brought under the law enacted in the Indian Succession Act. A provision to this effect has not been inserted in the Bill, but it can be added at a later stage if public opinion favours it. The absence of a civil marriage law lends itself to perjury and

artificial conversions which it is the policy of the State to prevent. It was so observed by Sir Henry Maine who advocated the establishment of a non-sectarian marriage law in order to prevent the abuse resulting from such conversions (Proceedings Imperial Council, dated 27th November 1868, pp. 498, 499).

To sum up then the advantages of such marriages are as follows :—

1. Such marriages are recognised and provided for by the laws of all civilized countries, and it is possible to contract such marriages outside the territorial limits of India. The disability is, therefore, purely territorial, and patriotic Indians are naturally anxious to remove all such disabilities from their way.

2. The Bill is monogamous in its policy and would result in introducing monogamy where polygamous marriages alone are at present possible.

3. It would prevent artificial conversions resulting from the exigency of marriages.

4. It would give a wider field for selection and thus ensure a happier domestic life.

5. It would introduce a greater sincerity in marriages by dispensing with the subscription of a declaration which many desiring to marry under the existing Act have to subscribe to not without considerable mental reserve.

6. It would tend to the unification of the Indian races without at the same time interfering with their personal religion.

7. It would give the wife a more assured position and entitle her to exercise her right of divorce which may not be possible if married under her personal law.

8. And being merely optional it trenches upon no one's rights, but merely prescribes a form to those who, while desiring to escape from the thraldom of their religious ritual, do not wish to renounce it.

It is believed that, with the growing strength of the national sentiment, such a Bill has become a public desideratum, and it has therefore been decided to re-introduce it in the Central Legislature.

STATEMENTS OF OBJECTS AND REASONS.

The object of this Bill is to give effect to certain minor amendments which it is proposed to make in Schedule II to the Indian Tariff Act, 1894 (VIII of 1894). The more important proposals in the Bill are dealt with *seriatim* below. They are included in separate Tariff Bill instead of in the Finance Bill, because they have not been made primarily with reference to the revenues of 1928-29.

2. *Cinchona bark and alkaloids extracted therefrom including quinine.*—It is proposed to amend item 14 so as to cover alkoloids derived from other sources than cinchona bark, which are chemically identical with alkaloids extracted from cinchona bark. It may be mentioned, for example, that the chemical constitution of quinoline whether prepared from a cinchona bark alkaloids or aniline and nitrobenzene is the same.

3. *Gold and silver sheets and plates.*—It is proposed to remove the import duty of 30 per cent. on gold and silver sheets and plates which have undergone no process of manufacture subsequent to rolling and to include them under item 20 of the Import Tariff. These articles are raw materials of an industry, and it is considered desirable that they should, in accordance with the recommendation of the Fiscal Commission, be admitted free of duty. Gold bullion and silver bullion are already free, and the process of rolling adds but slightly to the value of the bullion. It is also proposed to amend items 132 and 133, so as to make it clear that the amended item 20 does not cover gold and silver leaf.

4. *Paper money.*—It is proposed to place currency notes and the like on the free list. They are at present assessable to duty at 15 per cent. on their intrinsic value fixed at Re. 1 per hundred notes. But imports on Government account are already exempt from duty under a notification issued under section 23 of the Sea Customs Act. Imports by post have also hitherto been exempted by executive practice, which ought to be regularised, and import as cargo on private account is rare.

5. *Illustrations specially made for binding in books.*—Illustrations for books are imported free under item 24 of the Import Tariff when they are bound in a book. But they are assessable to duty at 30 per cent. under item 138 if they are imported separately. A certain class of illustrations cannot be produced in India, but has to be imported and bound up in the book or journal after arrival. The inevitable effect of a high duty on such illustrations when imported separately is to drive publishers to have the whole book printed or produced abroad when the illustrations will be allowed to enter free as part of the book. In order to remove this anomaly, a notification under section 23 of the Sea Customs Act was issued in September 1927 exempting such illustrations from the duty leviable on them under item 138. It is now proposed to place this exemption on a statutory basis.

6. *Stone prepared as for road metalling.*—The importations of road metal have in the past been very rare, so that from the revenue point of view the duty of 15 per cent. to which it is subject under item 118 is negligible. The Government of Madras having

represented that certain local bodies in the Madras Presidency experience great difficulty in obtaining locally good metal for their roads and that the present duty acted more or less as a prohibitive duty on the import of good metal from Ceylon, a notification was issued in December last exempting from import duty stone prepared for road metalling. It is now proposed to place this concession on a statutory basis.

7. *Specimens illustrative of natural Science.*—Only specimens illustrative of natural science are at present admitted free of duty under item 26 of the Tariff. It is considered that the item is unduly restrictive and that it should be extended so as to include models and wall diagrams for illustration of natural science.

8. *Currants.*—By a notification under section 23 of the Sea Customs Act, the import duty leviable on currants under item 67 of the Import Tariff was reduced to Rs. 1-4 per cwt. This reduction was made to carry out a *modus vivendi* with Greece by which complete and unconditional most-favoured-nation treatment was secured for all Indian goods on importation into that country. It is now proposed to incorporate this rate in the law.

9. *White Portland cement.*—The specific duty of Rs. 9 per ton on Portland cement was fixed in 1926 with reference to the then existing duty of 15 per cent. and tariff valuation of Rs. 60 per ton It has been brought to notice that the incidence of the specific duty on White Portland cement, a recognised commodity used for special purposes such as repairing and joining marble, making tiles and imitation marble and plaster and stucco work, is much below 15 per cent. *ad valorem*, the landed cost of the article being Rs. 130 per ton. It is accordingly proposed to amend item 46C of the Tariff so as to make it possible to levy a duty of 15 per cent. on such cement.

10. *Silver plated surgical instruments.*—Under the Import Tariff nickel plated surgical instruments are assessable to duty at 15 per cent. (item 91) and silver plated surgical instruments at 30 per cent. (item 129). But before it can be determined whether a surgical instrument is silver plated or nickel plated, it is necessary to test such an instrument. By far the greater proportion of imported surgical instruments and appliances are, however, nickel plated. In order, therefore, to avoid inconvenience to the customs administration, not justified by revenue considerations, and the testing of these delicate instruments, a notification under section 23 of the Sea Customs Act was issued in August 1926, exempting silver plated surgical instruments from so much of the import duty as was in excess of 15 per cent. It is now proposed to place this concession on a statutory basis.

11. *Cotton, hair and canvas ply belting for machinery.*—In its report on the question of tariff equality in respect of the manufacture of camel hair, cotton and canvas ply belting in India the Tariff Board has recommended that a duty of 5 per cent. *ad valorem* should be imposed on imported cotton, camel hair and canvas ply belting. The Government of India have accepted this recommendation. They have, however, found it impossible to accept the Board's proposal that the duty on black proofing should be removed, but they have decided that the duty on camel hair yarn should be reduced from 15 per cent. to 5 per cent. instead of 6 per cent. as recommended by the Board. It is proposed to give effect to these changes in the present Bill.

12. The amendments are intended to come into effect from the seventh day after this Bill becomes law.

G RAINY.

CALCUTTA, *the 21st March 1928.*

DEPARTMENT OF AGRICULTURE, BENGAL.

Monthly Weather and Crop Report of Bengal for February 1928.

I. **Character of the season.**—The weather continued practically dry excepting for occasional light and scattered showers in some North Bengal districts during the third week of the month. The usual rainfall statement is appended.

II. **Progress of agricultural operations.**—Harvesting of early spring crops was almost completed and that of late varieties was proceeding under favourable conditions. Preparatory tillage for jute and other autumn crops was proceeding slowly owing to prolonged drought.

III. **State of standing crops.**—The condition of standing crops was generally fair in low lands; elsewhere it was unfavourable owing to lack of soil moisture.

IV. **Prospects and probable outturn.**—The outturn of spring oilseed and wheat crops is anticipated to be fair only. The prospects of other standing spring crops were not hopeful on account of lack of soil moisture.

V. **Damage to standing crops.**—The standing spring crops were adversely affected by prolonged drought, especially in parts of West and North Bengal.

VI **Condition of agricultural stock.**—The condition of live-stock was, on the whole, fair. Stray cases of cattle-disease were, however, reported from ten districts and from the States of Cooch Behar and Tripura.

VII. **Failure of pasturage and fodder.**—Fodder was reported to be adequate except in parts of Nadia, Murshidabad and Burdwan, where it was insufficient.

VIII. **Prices of food-grains.**—During the second half of the month the price of common rice of the cheapest quality rose in six districts, fell in seven and remained stationary in the rest of the Presidency. It ranged from 5 seers per rupee at Mymensingh to 7 seers per rupee at Chittagong.

IX. **Condition of agricultural population.**—The condition of the agricultural population was fair, on the whole, except in parts of Nadia, Murshidabad, Burdwan, Birbhum, Bankura, Dinajpur and Malda, where distress continued to prevail owing to a partial failure of the winter rice crop. Test relief works continued in parts of Nadia, Murshidabad, Birbhum and Malda.

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 21st March 1928.

Summary.—The weather continued dry. Rain is urgently needed to enable cultivators to push on ıth ploughing and sowing of autumn crops. Fodder and water are getting scarce over the greater part : West Bengal districts. Distress continues to prevail in parts of Burdwan, Bankura, Dinajpur, Nadia, [urshidabad, Birbhum and Malda. In the latter four districts the number of persons employed on st relief works was 956, 14,501, 1,213 and 2,395 respectively. The average price of common rice ır the province has risen by about 0·09 per cent. as compared with that of the previous week.
